BE A CLOWN BE A CLOWN . . .

The years spent during high school are those to be treasured for a lifetime. From the Freshman year, until the great finale of being a Senior, the time spent with friends and members of the faculty will go unsurpassed.

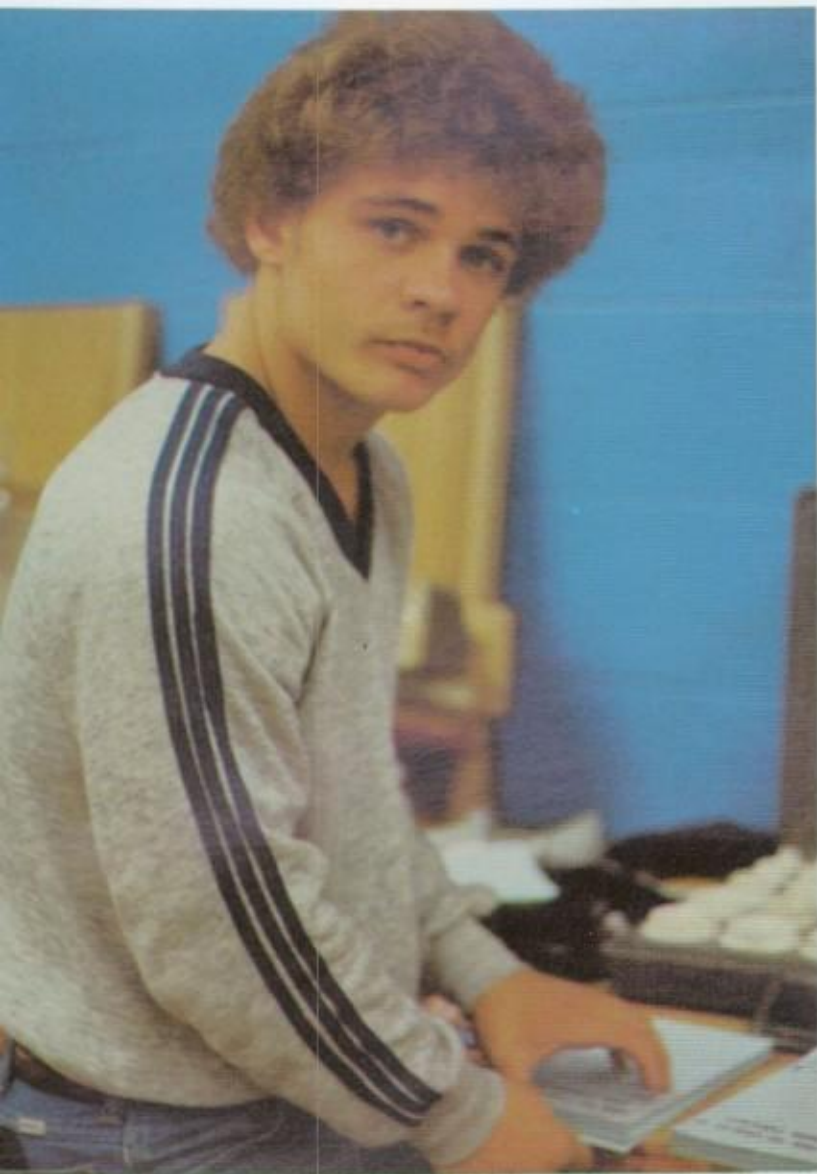

The Freshman purchased their tickets and were eager to enter the fabulous world of the circus. They stood agap when they saw the "death defying" tests they had to study for, and laughed with hysteria at the follies of the student body.

Sophomores and Juniors were busy being trained as performers. Each one tries to excell in his or her special attraction. Their dream is to someday be good enough to perform in the center ring.

After all training and learning is completed, the trainee is now prepared to enter the spotlight of the center ring, their Senior year. All of the hard work of vending, rehearsing and even the "clowning around" will finally pay off. All of these are the prerequisites of the grand finale — Graduation.

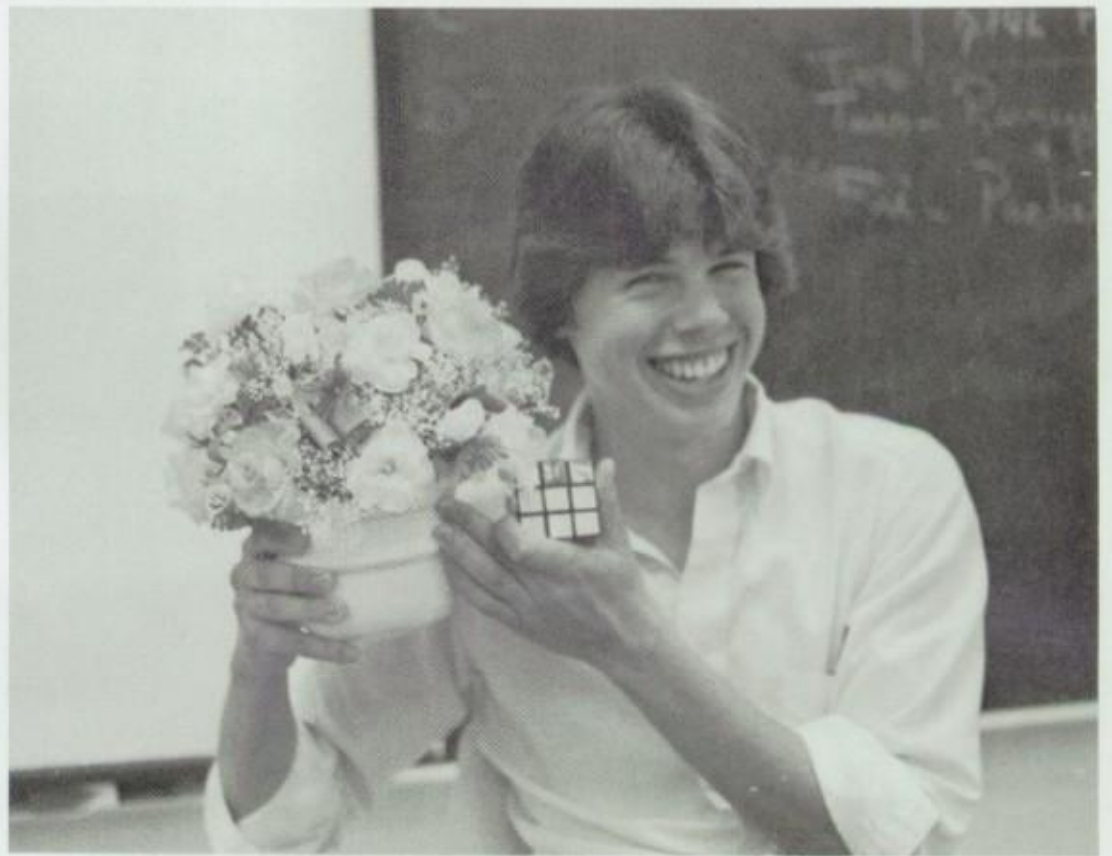

As one looks back on the years of performing in the circus at Armada High School, he will feel a sense of satisfaction and accomplishment. It took three very long years of hard work to be able to be a performer in the center ring. Now one must to on to become the ring master of life.

QUEEN KARLA THEUT

HOMEcoming 1981

UGLY MEN: Earl Morrison, second runner-up Mike Vanlerberghe, Mr. Ugly Matt Perry, first runner-up John Bolone, and Jim Ernest. Missing Ugly Men are Jack Schweir and Jim Zwack.

First runner-up Cathy Finn; Queen Karla Theut; Second runner-up Debi Lach

The cheer of the crowd, the determination of the players, and the beauty of the queen and her court was only the beginning of our 1981 Homecoming.

As the week started, everyone was eager to start working on their floats and wondering who would be the next homecoming queen of Armada High School. Nominations were taken and flowers were being fluffed as each student played his/her part in spirit week.

On Monday, the halls were filled with "Journey", "Pat Benatar", and "REO" t-shirts, as the first day of spirit week was concert t-shirt day. Tuesday, girls came to school dressed in poodle skirts, and the guys slicked back their hair for fifties day.

As the week progressed, the floats began to take shape and spirit week continued on. Wednesday, you could see from cowboy hats to sombreros, for this was hat day. We also found out Wednesday night that Karla Theut was chosen our 1981-82 homecoming queen. Cathy Finn and Debi Lach were chosen Karla's first and second runners-up. The rest of the queen's court consisted of Janice Bucchare, Renea Riedel, Dawn Spalding, and Sherry Wyss.

Spirit week ended with Thursday being orange and black day, and Friday stuffed animal day. The pep rally was also held on Friday. The gym was filled with voices screaming "T.E.A.M. fight fight", with the spirited seniors winning the pep jug. The seniors also pulled away with the honor of being the most spirited class during the week. The results of the ugly man contest was also announced at the pep rally. Queen Karla presented the winner, Matt Perry, with a bouquet of weeds. Matt's first and second runners-up were John Bolone and Mike Vanlerberghe. The rest of the ugly men were Jim Ernest, Earl Morrison, Jack Schweir, and Jim Zwack.

Following the pep rally, finishing touches were put on the floats for the parade. The homecoming parade was lead by the majorettes twirling to the music of "On Armada" played by the wagon riding band.

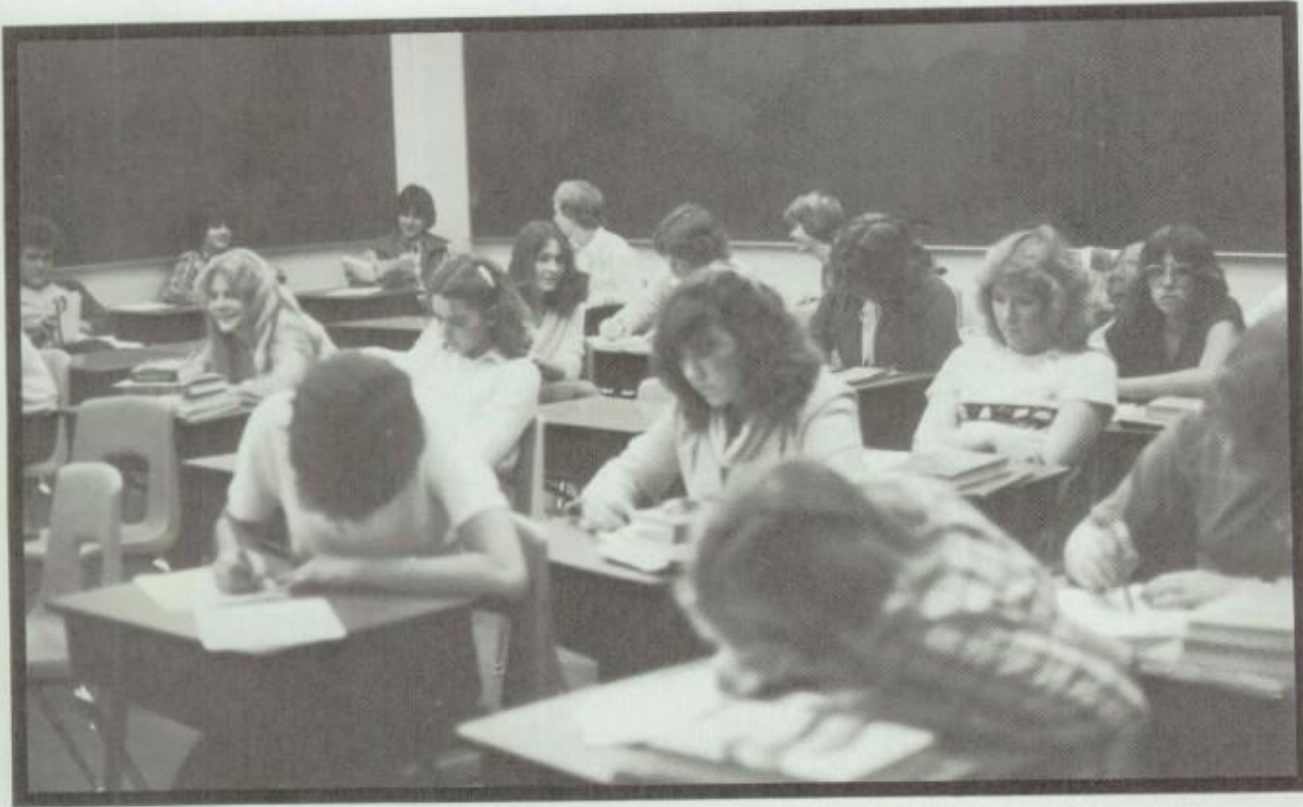

At the game, the tigers put forth all the spirit and determination in order to give Brown City "a run for their money". Unfortunately, the tigers lost by one touchdown in overtime with a score of 12 to 18.

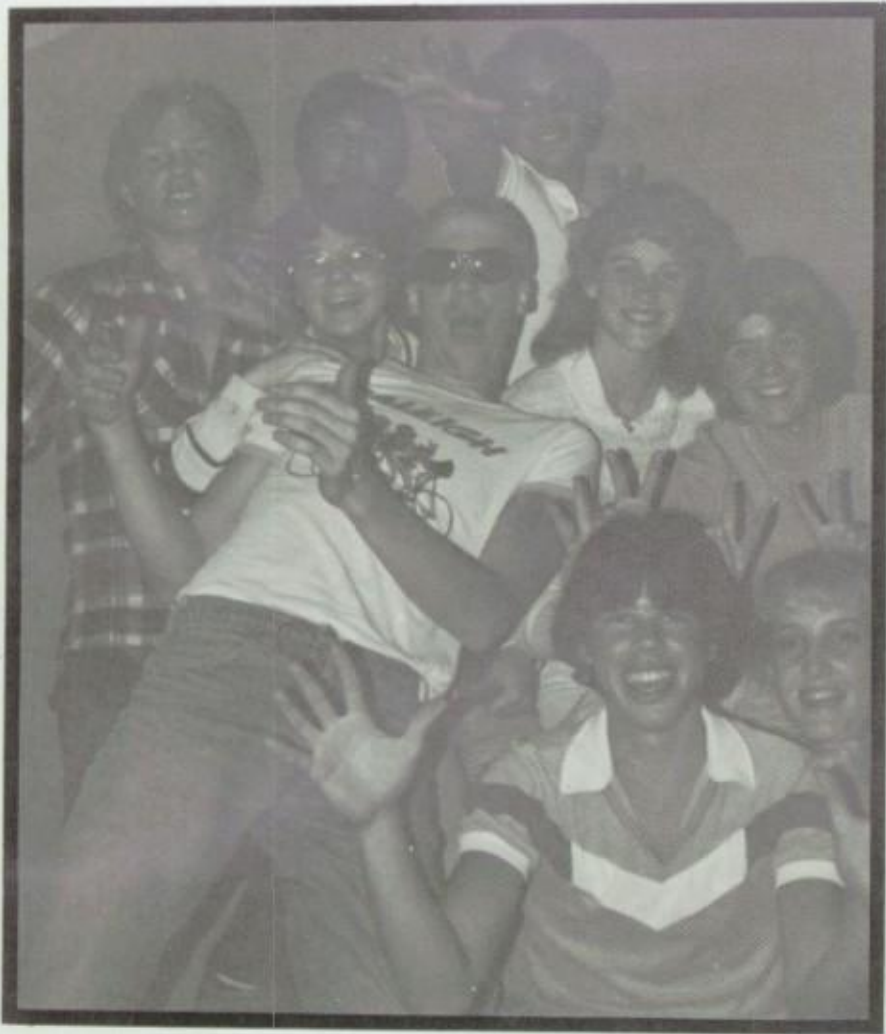

For the senior class, the highlight of the game came at halftime when it was announced that their float, "Jaws", came in first place. Second place was given to the freshman, third to the sophomores, and fourth to the junior class. Also during halftime, Queen Chris Loraine relinquished her crown to the new 1981-82 Homecoming Queen, Karla Theut.

Even though spirits were low after the game, the crowd went on to have a fabulous time at the dance sponsored by the senior class.

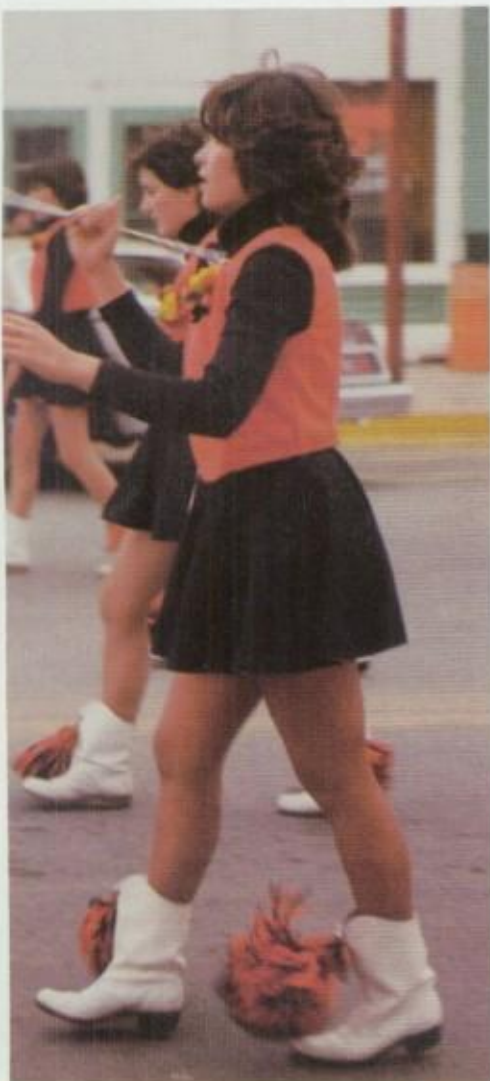

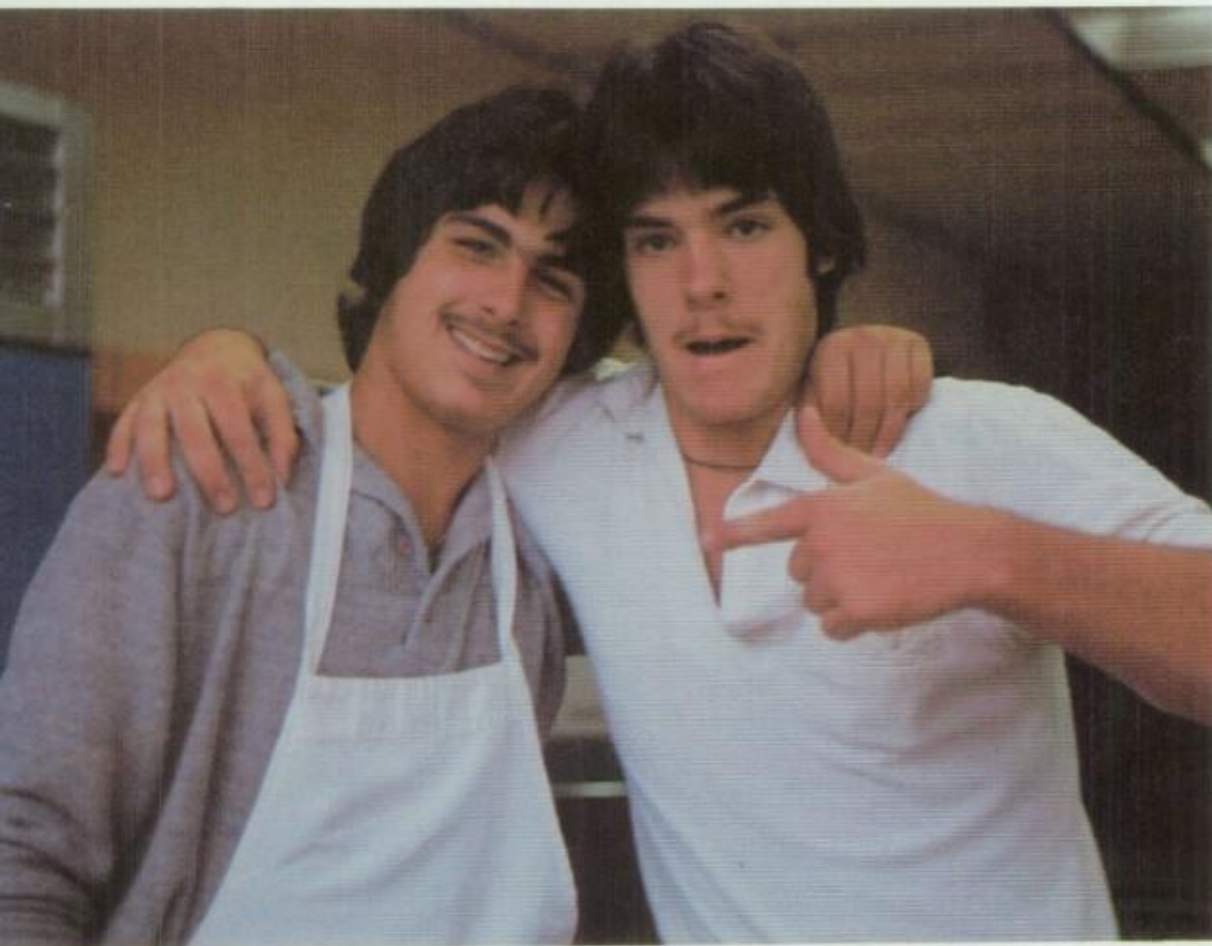

Everyone agreed, despite the loss of the game by a mere touchdown, that they enjoyed the entire week of festivities.

ON WITH THE SHOW

IN THE CENTER RING

As each of us look back at our past years of high school, one has to admit that like the acrobats in the circus, we too have our share of "ups and downs".

Of the many memorable events that have taken place in the past years, these are a few that will forever be in the spotlight.

As brave and daring performers, we decided to defy the Flint River in our Freshman year. Each one of us paddled our canoes through the rippling water to reach the designated shore. Many good friends argued the whole fifteen miles about where the shore was, and a few had to be towed in!

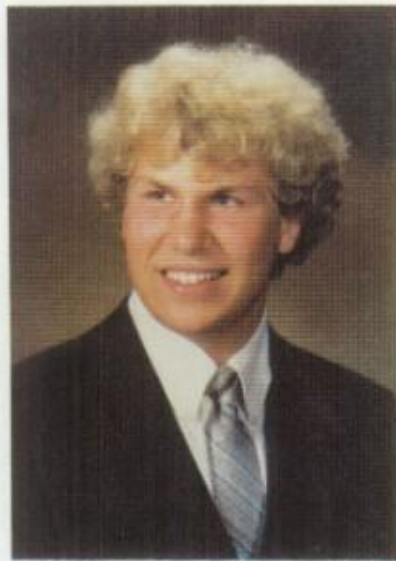

Our Junior year, we had finally reached a few of the goals we had set for ourselves. Our homecoming float won first place, and through our candy sales we were able to sponsor the Junior-Senior Prom. Our class took on the responsibility of sponsoring the talent show as a money raising project. With much effort and determination we were able to make each of our goals a success.

Next we were off to Chicago. How could we ever forget the nauseating feeling when riding in the Sears Tower elevator, or seeing a bus that had "Illinois" written on the side and thinking, "They've come a long way!" These memories will forever linger with us.

Time goes on and yet much has passed. There's so much to look forward to, and much to remember. In twenty or thirty years from now when we look back at our high school years, we will be able to honestly say that these really were the best of times.

At the end of August, three exchange students came to Armada. They plan to graduate from Armada High School and will hopefully learn about the U.S.A. and especially what Armada is like. The three hitchhikers are Monir Saade from Mexico, Jari Laine, from Finland and Marita Karlsson from Sweden.

1. Can somebody give us a ride home?
2. Out of all the places in the United States and they put me in *Armada*!
3. Monir tends to get a little crazy at times.
4. Jari poses for the camera.

The Armada Athletic Boosters worked diligently to raise money to sponsor sports for the second year in a row.

Once again parents, athletes, coaches, and concerned citizens of Armada put forth the effort to give the multi-talented performers of the community a chance to perform.

The trainers and audience gave their time and effort by selling at the football games through rain and cold weather. At almost every game they held a 50/50 raffle and even raffled off, what else??? A football!! When football season ended, the Boosters had just begun.

Next, they continued to be busy with raffles and working at the Silverdome. They are now planning a celebrity basketball game and the second annual Almost Anything Goes. But what does all this hard earned money go towards? Lights, buses, coaches and referee's fee's, and much more.

To the athletes, their parents, and most importantly the Athletic Boosters, we extend our utmost appreciation and our deepest gratitude. With out these individuals, our circus would not have many performances. With their dedication, loyalty, and eagerness, these "vendors" deserve a standing ovation!

6. "What was that you wanted?"
7. Mrs. Wuestenburg sheds joyful tears as she is honored by the Boosters for her hard work and dedication.
8. Mrs. Blissett and Mrs. Elwart listen carefully to instructions for the next fund raiser.

The 1981 Turks led our school in spirit and enthusiasm while winning seven games this year. Most of the remaining games were often decided by small margins and a few were lost by only one point. The highlight of the season was the 40-35 victory over Richmond, the St. Clair Area league champions. It was a very exciting and intense event that made both team and fans proud. Co-captains Sally Cross and Penny Moore along with Seniors Jeanne Goral, Tracy O'Connor, and Leah Vanpoelvaorde will be missed on the court in "82" This year's team can look back and say that all the effort was really a lot of fun and well worth the time they put in. This years leaders in statistics were as follows:

Sue Corrion — 169

Mary Clark — 137

Kelly Hill — 79

Kenny Moore — 46

J.V. MAKES THE

GRADE

The Armada Girls J.V. basketball team ended the 1982 season with a 10-6 record. Their league record was a very good 9 wins and 3 losses. The team was composed of 8 sophomores and 6 freshman. These girls played well as a team. In almost every game there was a different girl that led in the statistics. Totals at the end of the season showed Stacie Russ led the team in scoring with 115 pts. Defensively, Stacie Russ and Carrin Verschuere were leaders in rebounds, and Kim McKone led in the number of steals.

This team has a winning attitude, dedication, determination, and displayed good sportsmanship. They are a credit to Armada High School.

GOLF GOLF GOLF GOLF GOLF GOLF GOLF GOLF GOLF GOLF

The 1981 Varsity Golf Team upheld the fine caliber of play established over the past several years as the finished 15-5 overall and 14-4 in league play good enough for second place.

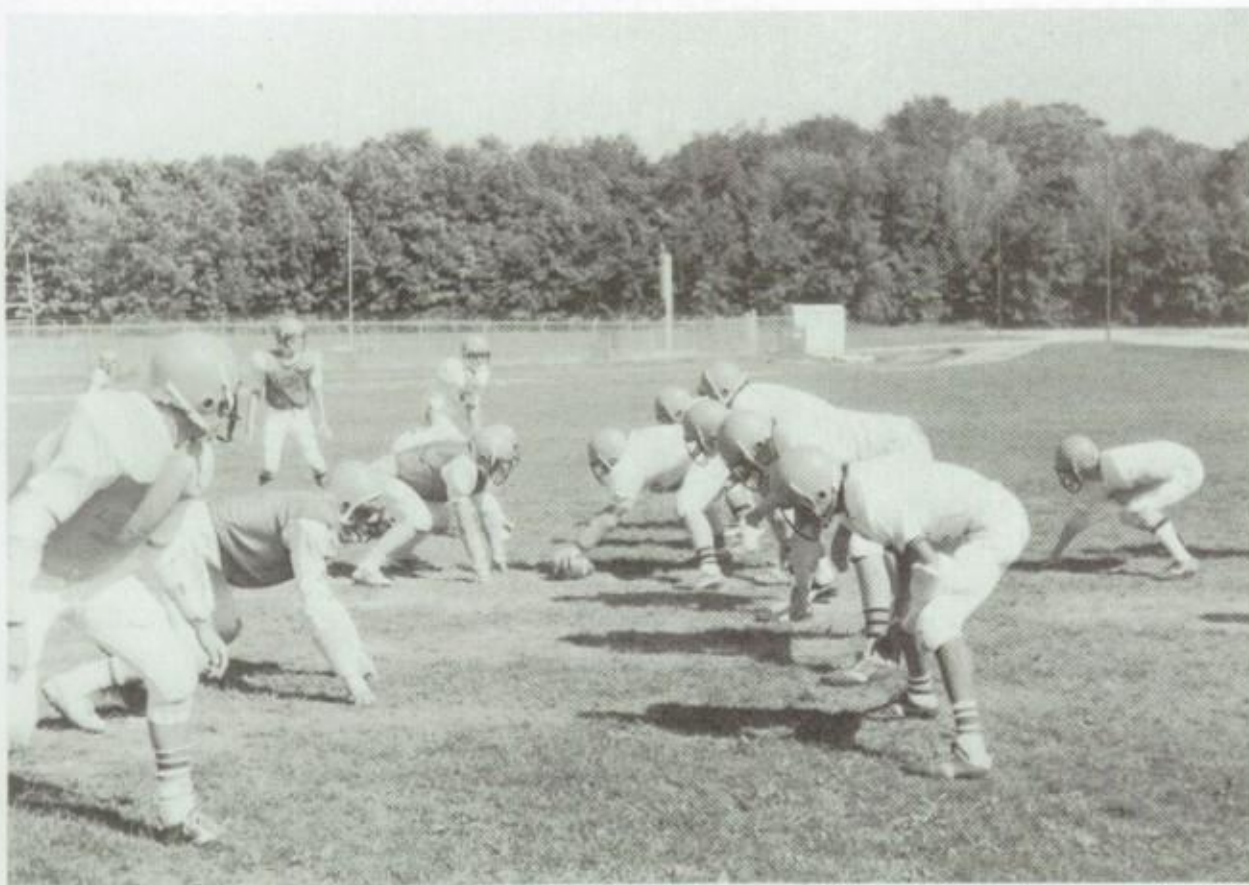

The team broke one school record as they shot a 335 total for 18 holes at the League Meet. The old mark was 349. The 335 total came within one stroke of winning this years exciting league meet. The team also placed 4th in the State Regionals, only one place short of qualifying for the State Finals.

Dave Eskin and Earl Morrison concluded Varsity careers. They were a part of teams that were 64-14. Dave averaged 42 this year. He shot personal lows of 38 for 9-holes and 81 for 18-holes. The 81 won 4th medalist honors at the League Meet. Dave was match medalist 5 times and was selected to the All League 1st Team. Earl averaged 44 with a low of 40 for 9-holes and 83 for 18-holes. He was match medalist 4 times and was selected to the All League 2nd Team.

Darby received honorable mention in the All League selection. R.J., only a freshman, also averaged 45. He shot personal lows of 6th medalist honors at the League Meet. Bob got off to a slow start due to an injury but came back and played well the second half of the season.

THERE "AIN'T" NO TAMIN' THE TIGERS"

This years Varsity football team, finishing with a 6-3 overall record and a 6-1 league record, fell one game short of the STA crown which was grabbed by the undefeated Brown City team.

The team, consisting of mostly seniors, put forth all they had throughout the year with the help of Coach Wuestenberg and Coach Udvari leading the way.

The Tigers "biggest" victory of the year came when they defeated the Almont Raiders who were 7-0 at the time. But once the game started, the Tigers quickly jumped to a 14-0 lead, and then came back in the second half with 12 more points to defeat Almont 26-16.

This years Co-captains Greg Job and Mike Vanlerberghe kept the Tiger enthusiasm going throught the year which helped eight Tigers (First Team: Mick Hughes, Todd Hensley (MVP), Keith Christoff, John Bolone (MVP) Second Team: Mike Vanlerberghe, Todd Durst, Vince LaCavera, Mark Darling) receive ALL-LEAGUE HONORS, four Tigers (First Team: John Bolone, Todd Hensley, Mick Hughes. Honorable Mention: John Bolone) receive ALL COUNTY HONORS, and two Tigers (Honorable Mention: Mick Hughes and John Bolone) receive ALL STATE HONORS.

Tigers are SUPER. The Varsity and J.V. cheerleaders had a super year too. Both squads worked very hard and made Armada and their coach proud.

The varsity squad attended camp this summer and won 3rd place grand championship, 7 ribbons and the firecracker award for being most spirited all week. Varsity also held a clinic for 140 girls, grades 3-6. The clinic was a great success. The Varsity Cheerleaders are the S.T.A. champs.

The J.V. squad did a great job for their team. They learned a lot of new cheers, stunts and all their hard work payed off when they came in second place at competition. Both squads won trophies for spirit and posters.

The tiger did a great job each game too!! Tigers are Gr-great!!!

SHOOOOOOT FOR TWO

1981-1982 Armada Basketball Team — Front row — Greg Job, Rob Wylin, Earl Morrison, Dave Eskin, Todd Durst, Chris Chopp, Jim Arft, Back row — Coach Chris Pollock, Gary Coleman, Scott Loraine, Vince LaCavera, Dale Decker, Mike Chilcote, Todd Hensley, and manager Jeff Burg

Although this years Varsity Basketball Team did not win as many games as they would have liked, they displayed a lot of desire, hustle, and pride in representing themselves, their school and Armada throughout the season.

This years co-captains, Todd Durst and Greg Job led the team in key catagories. Todd led the team in scoring and rebounds, while Greg led in assists and steals.

The team had many exciting games during the regular season, but two come to mind. At Brown City, where a Tiger team had not won in 9 years, the Tigers came from a 14 point deficit to defeat the Green Devils 60-56. The second game was with the league-leading New Haven Rockets. The High School gymnasium was nearly filled by exciting and enthusiastic fans as they saw their Tigers put on a thrilling second half rally before falling to the Rockets 65-57.

The season was the last for 10 seniors who were: Todd Durst, Greg Job, Vince LaCavera, Dave Eskin, Earl Morrison, Rob Wylin, Gary Coleman, Chris Chopp, Mike Chilcote, and Todd Hensley.

Dale Decker, Dave Hajski, Scott Loraine and Jim Arft form the nucleus of next years squad with the upcoming J.V. players. With a lot of hard work and desire throughout the year the team will improve its record next season.

Back row: Bill Job, Bob Bovenschen, Jim O'Connor, Dave Laskowski, Phil Zarate, Coach Jones Front row: Brian Jones, Mark Vanlerberghe, Ivan Kokotovitch, Darby Miller, Don Ingles

The 1981-82 Junior Varsity basketball team enjoyed a winning season with a record of 11 wins and 9 losses. Three losses were by 3 points or less and could easily have been victories. The highlights of the season were avenging earlier season losses against Richmond (55 to 43) and Capac (49 to 34).

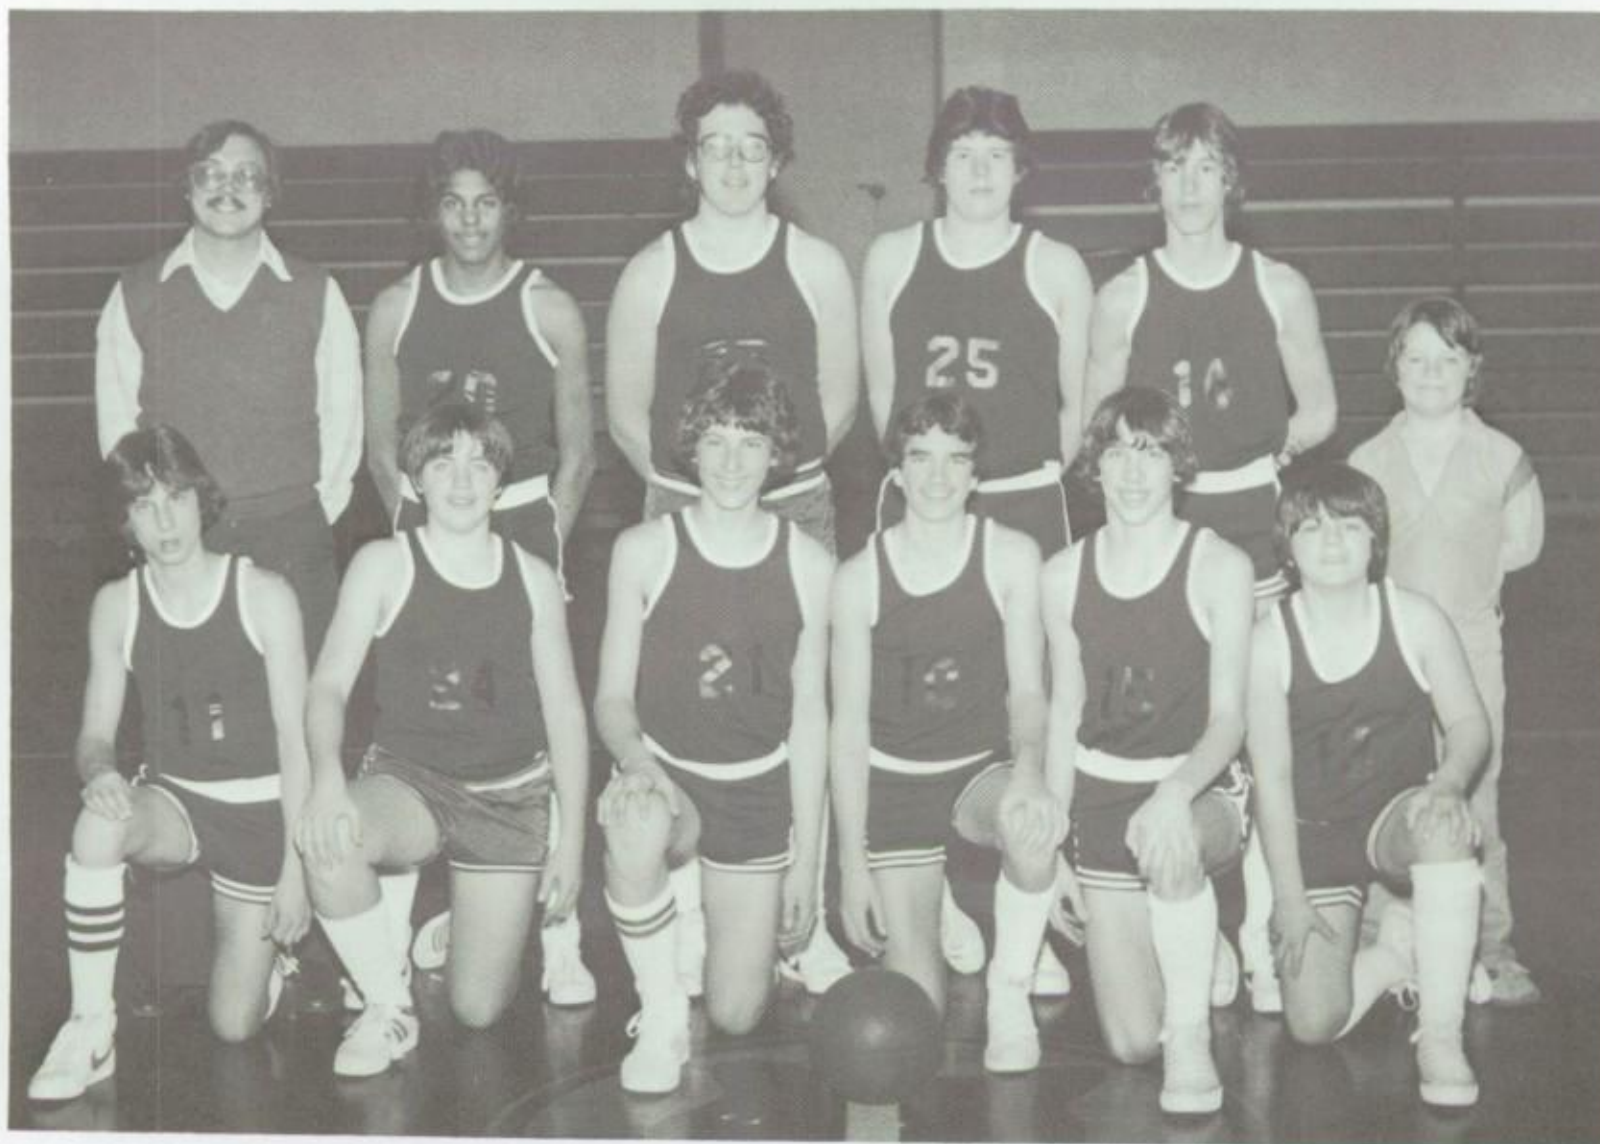

The team won 4 of the last 5 games and over the season outscored its opponents by more than a 5 point average.

Individually, Bill Job led all scorers with a 17.4 average. Bill's highest game was 30 points against New Haven.

In rebounding Jim O'Connor pulled down over 9 per game with Bill Job, Ivan Kokotovitch, and Phil Zarate. Brian Jones was the assist leader with over 5 per game and Bill Job was second.

The team had to work hard for many of their wins, and if they continue they could help on the varsity next year, because of Coach Paul Jones' help and dedication.

3. "What did he say"?

WHIP-EM GOOD

Walk down the hall after school and you'll see the cheerleaders practicing or for sure you'll hear them. Both squads have a lot of spirit this year. If it wasn't a skit, a pom pom routine or posters, they were getting ready for cheerleading clinic for the 3-6 graders. They had over 130 girls attending. Both the JV and Varsity squads were super this year.

The Freshman coach, Lisa Schuette, is proud of her squad. They only had a short time to get ready for the season but they did it. The Freshman Cheerleaders did a good job cheering their team on.

The 1981-82 Girls Varsity Volleyball Team lost their first game to Memphis but quickly recovered with 11 straight wins in the season. With Coach Udvari's support and hard work the team reached a goal of having league standings of 14-2 and overall standings of 18-3 and being the district champs for the second year in a row.

The J.V. team also worked with determination and as the season went on they improved with every game along with the help of their coach Mrs. Shirley Hill.

If everyone had as much determination as these teams, it would not be hard to reach our goals in life.

1. Coaches Bruce Udvari and Shirley Hill watch the game with interest.
2. Joyce Jakubiak jumps to make the winning point.

PINNING: THE KEY TO WINNING

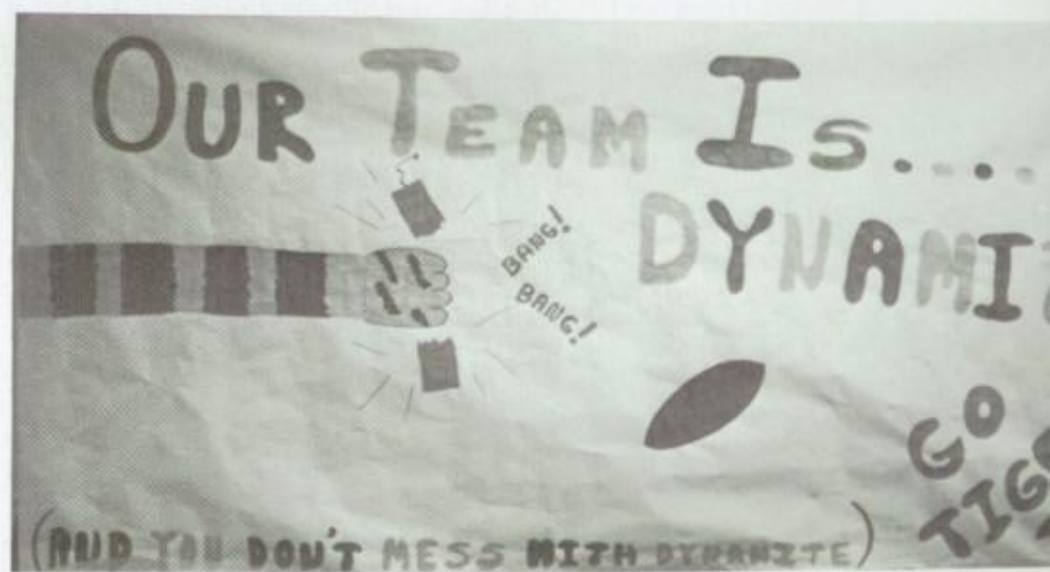

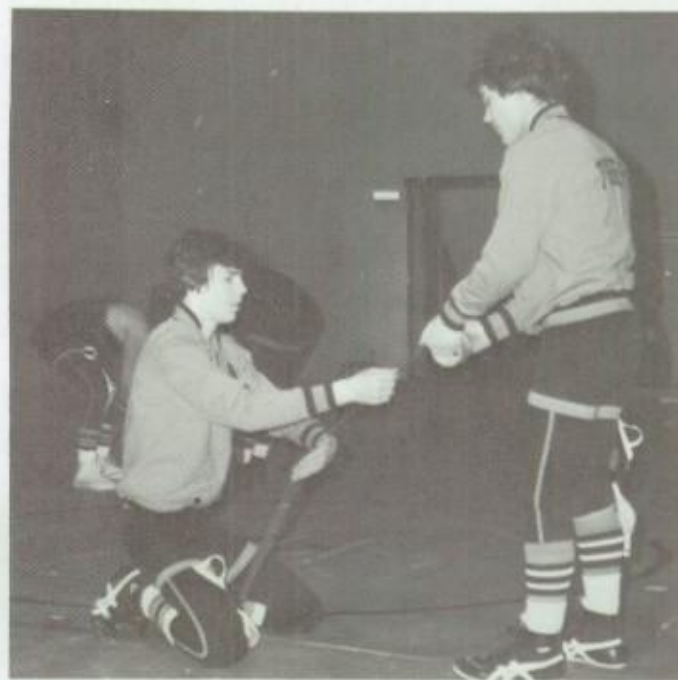

The Armada wrestlers had only eight men on the 1982 team. There were three returning lettermen; Seniors Paul Stewart and Mick Hughes, and Donny Bushbaker a junior. New members include; Juniors: David Maynard and Duane Rossmann, Freshmen: Daniel Primeau, Gregg Slobowski, David Walkowski. It is a small team, but even against this disadvantage the team never gave up. They did their job and always came out winners in the eyes of the crowd. This determination was apparent as they completed a grueling, but personally satisfying season.

TIGERS

ON TOUR

The 1981 Armada Baseball Team had a hot start; unfortunately, injuries caused the Tigers to drop into third place. Still, the team had spirit and played the best they possibly could which was proved by these honors:

Mike Vanlerberghe: First Team All League
First Team Macomb County B.C.D.
First Team All Region — All State
Honorable Mention All Blue Water Area

Todd Durst: All League Honor
Honorable Mention All B.C.D.

Jim Ernest and Greg Job: Honorable Mention All League
Honorable Mention All B.C.D.

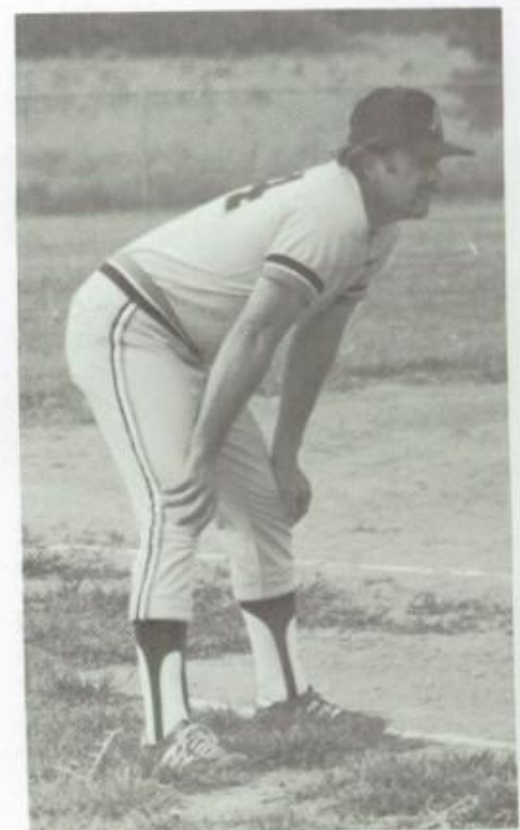

This year's team has a good basis although four seniors were lost with graduation. The team believes they will win the league title since the heart of the team is returning with these lettermen: Mike Vanlerberghe, Todd Hensley, Todd Durst, Mick Hughes, Jim Ernest, John Bolone, Greg Job, Vince LaCavera, and Rob Wylin. All in all it should be one very good season for both the players and the fans.

TAKE ME OUT TO THE BALLGAME

The Varsity Girls Softball Team posted an 11-5 league mark and a 12-9 overall record.

Lisa Schuette and Sharri Sharrard completed their 4th full season this past year. As the teams catcher, Lisa hit .474 with 36 RBI's this year. In four years her average was .405 with 95 RBI's and 40 extra base hits which included 5 home runs, 4 this past year. Sharri hit .364 and had a fielding average of .854 playing a shortstop. During her four years she hit .324 with a fielding average of .900.

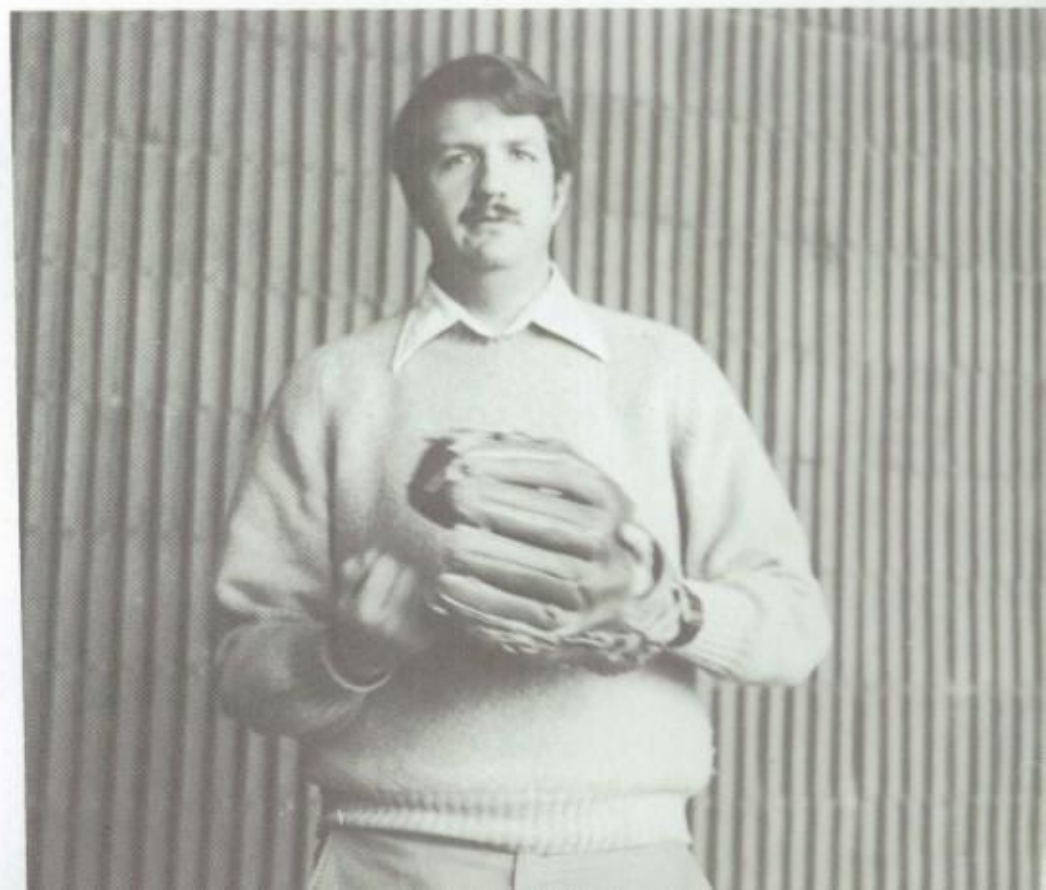

The Tigers biggest win came at Yale when the Tigers knocked the Bulldogs out of 1st place with a 9-5 victory.

Lisa Sowinski, Cheryl Elwart, Lynn Ernest, Jill Vettraino, Stacie Russ, and Denise Durst were several young players who gained valuable experience on last years squad. Along with returning letter winners; Kim McKone, Kellie Hill, Sue Corrion, Cathy Finn, Jeanne Goral, Tracy O'Connor, Sally Cross, and Penny Moore the Tucks are looking forward to another successful season this year.

1982 Returning Underclassmen — Bob DeLong, Dave Laskowski

Armada's tennis team continued its tradition of excellence in 1981 by finishing the year with a 10 win, 1 loss record. This was good for a second place finish in the league. At the regional at Imlay City, Armada qualified to play in the state finals at Kalamazoo College, in Kalamazoo, Michigan. At this class C-D state finals, Armada finished seventh in the state out of a possible seventeen teams that had qualified for the final meet.

Playing in the Anchor Bay invitational, Armada won against seven other schools, this despite being the smallest school there. Individual champions were Dan Duncan, Mark Wuestenberg and Earl Morrison in singles and the team of Bryan Beach and Mike Chilcote in doubles.

Other individual accomplishments were: Mark Wuestenberg and Earl Morrison won their singles flights in both the regional and league tennis meets. Dan Duncan was the MVP in singles for the team and Dave Eskin and Andrew Schrand were the teams MVP's in doubles for the year.

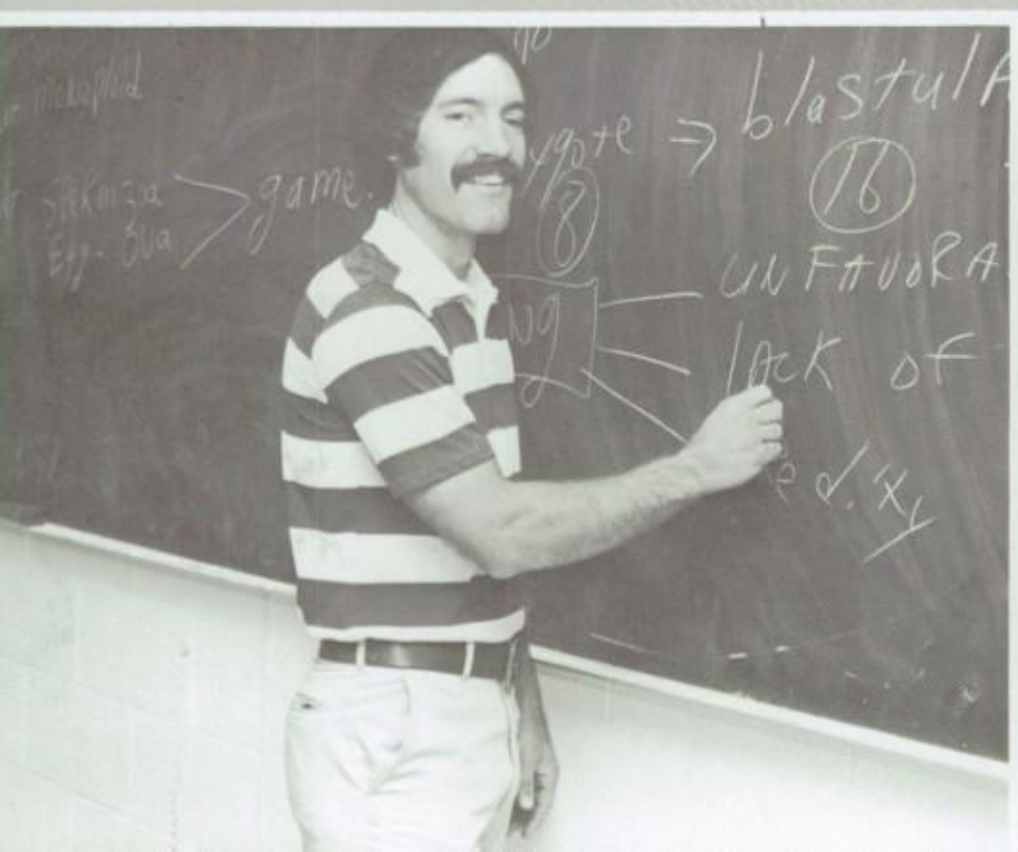

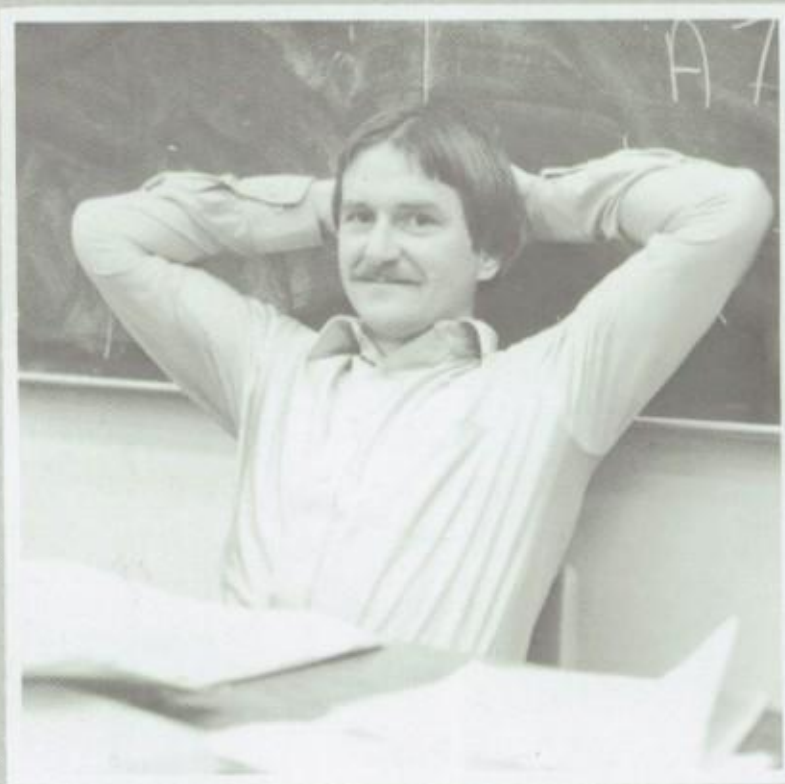

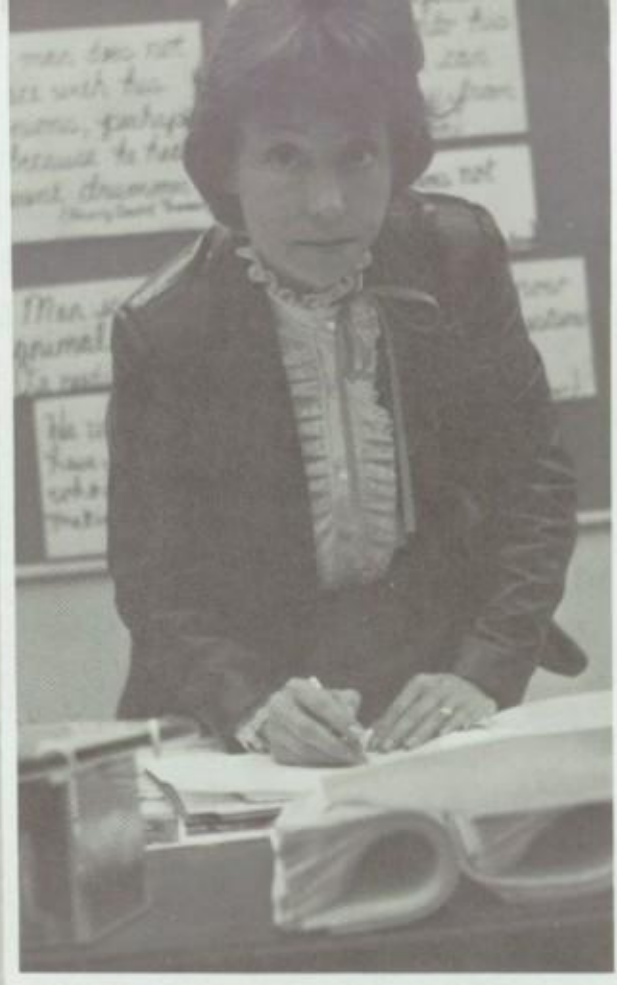

For 1982 the team has nine returning letter winners, they are: Bryan Beach, Mike Chilcote, Bob DeLong, Dave Eskin, Dave Laskowski, Tom McVeigh, Earl Morrison, Terry Papineau, and Jim Zwack.

With hard work the 1982 tennis team can continue Armada's tradition of excellence in tennis.

As the ring master leads off the main events of the circus, Armada High's Board of Education leads the festivities of our school. With the help of Dan Eskin, superintendent and Dennis Kiel, principal our school is running smoothly.

If ever anyone has a problem concerning any aspect of our daily scholastic routine, the members of the school board, Mr. Eskin, and Mr. Kiel are there to lend a helping hand. Whatever problem may arise, they are always there with their "whip in hand" to find a way to give the students a quality education.

1. Mr. Kiel asks, "What time does the show start?"
2. Mr. Eskin muses over a joke that a student has just told him.
3. "Hold on a second while I jot that down," says Carol Morris
4. "Where did I put that again?" asks Jackie Lualdi, Sec.
6. "Another day, another dollar!" says Katherine Kent

Last year's Tiger track team was the best overall squad Coach Zebelian has fielded in nine years. The Tigers rolled to an easy 11-1 record. Unfortunately, their only bad day was at the Southern Thumb meet. Graduated senior Mike O'Brien was tied with sophomore Jim Arft for the team's M.V.P. Both boys qualified and competed in the State Class "C" meet at Clare.

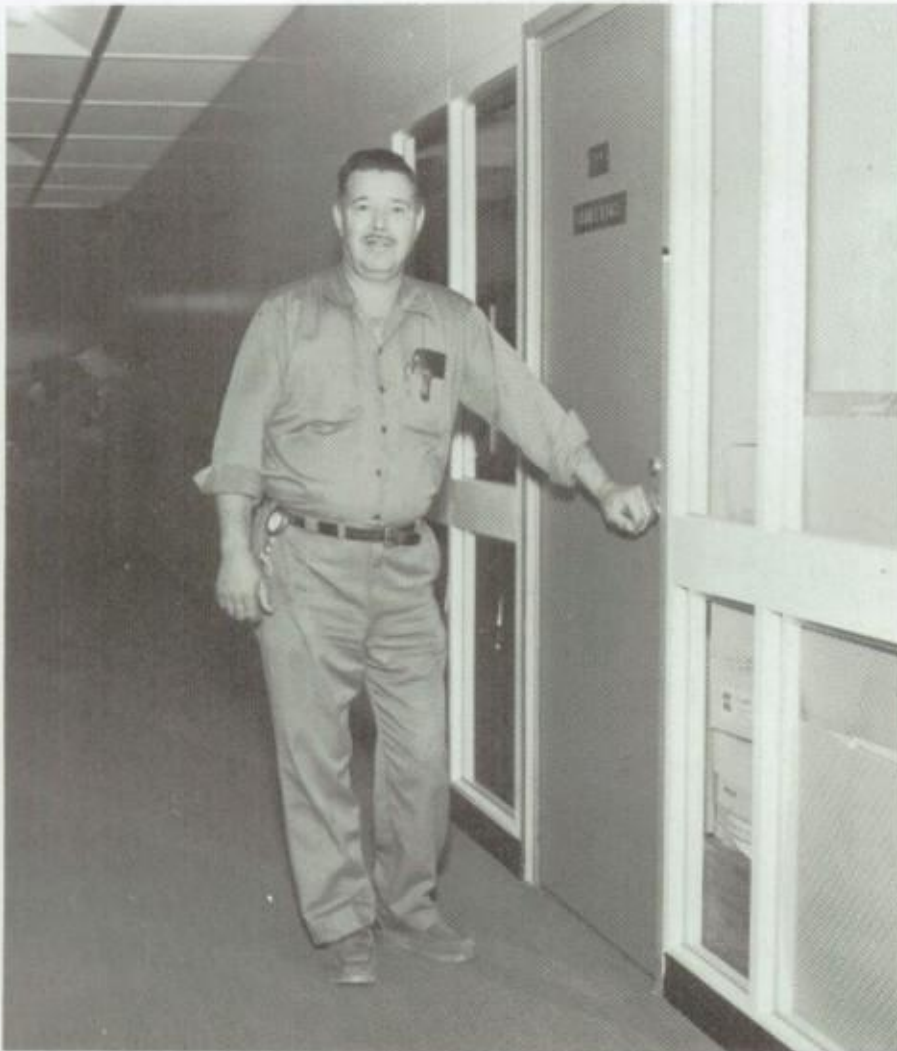

The 1982 team may not have exceptional depth of talent, but many individuals have a chance to be league champs in their own event.

Behind every performer is a back-up crew. The audience sees our performers lively and happy, but never sees the heart of a great performance. Our wagon train tends to our every need. For this we give our appreciation and warmest "THANK-YOU!"

The long range goal of Community Education is to "bring up" a generation of people who have sufficient basic educational skills, who can communicate effectively, who have concern for one another, and who are willing to take leadership responsibility along the road, toward community improvement no matter how many detours they may encounter along the way. The Armada Community Education Program strives to help its citizens toward these directions.

The Community Education Program can effect a general upgrading of all people in the areas of literacy, understanding and economic self-sufficiency. Armada Community Ed. offers a broad program of learning in the areas of adult education, arts and crafts, business, parent education, music, homemaking arts, mechanical skills, health and safety, vocational education, and recreation.

Armada Community Education offers more than an acquisition of new skills and knowledge, it offers opportunity for social enrichment as well. We also offer a senior citizen lunch program which has been very successful.

Armāda? Armāda? is a look at Armada's history through fact and fiction. The play follows the development of the Armada area from it's first settlements in the early 1820's to the present.

The performers, along with director Alice Morin, have constructed comic situations that might have happened at different periods of time. Factual information is also given as the revue moves from period to period. Music and dance, appropriate to various periods, adds color to the fast-paced romp through history.

Musical direction is by Marilyn Riley who recently directed the vocal music for Richmond Community Theatre's MAME. Mrs. Riley will accompany on the piano during performance. Choreography is by Ellen O'Donnell, choreographer for Richmond Community Theatre and MCCC Summer Dinner Theatre. Stage Managers are Kelley Sarenus and Chris Isaacson.

DEDICATION

SUPPORT FROM THE STANDS

What is the show without the audience?! One of the most devoted members of Armada High's Fan Club is the one and only Ann Chevie Krause. Another one of Armada's natives, Ann graduated from Armada High, attended Michigan State University, earned a BA degree in Speech and Radio, before working for the Detroit radio station WJR.

Ann is the mother of six Armada graduates, and often substituted in the Armada and Richmond school districts. Her talents vary from onetime Police Commissioner, to travel, knitting, and dancing.

This portion is dedicated to Ann. Because of her time and dedication to the student body, which she displays by her attendance and support throughout the good times and bad, and whether we're winning or losing, our friend Ann is always there to cheer us on — you are one super lady — thank you!

BACK UP CREW

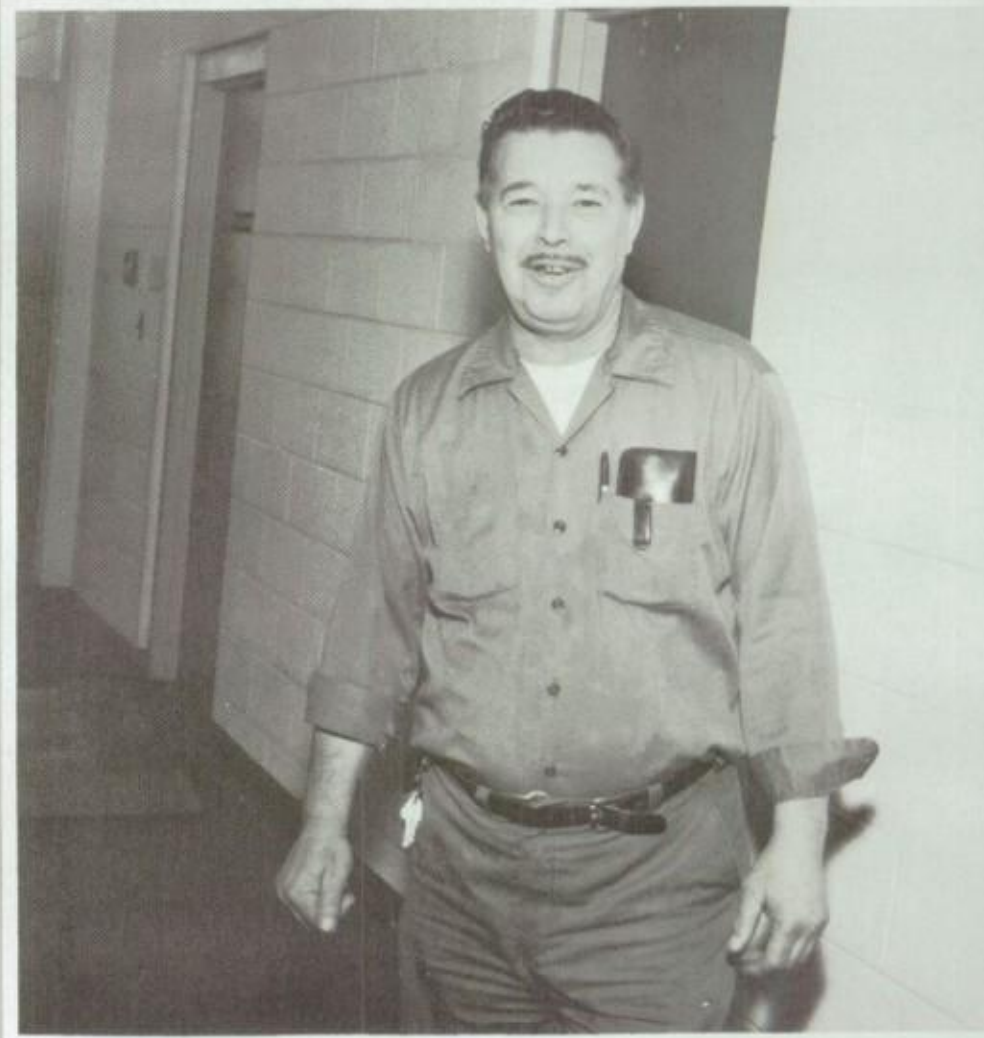

No troop is complete without the steady everpresent, supporting cast. One memory always constant in the minds of the Armada High School students is that of their "friend in need", Walt Wolak.

Walt joined the Armada School System in 1967, after a term in the armed forces and has served as bus driver, janitor, and just plain helper ever since.

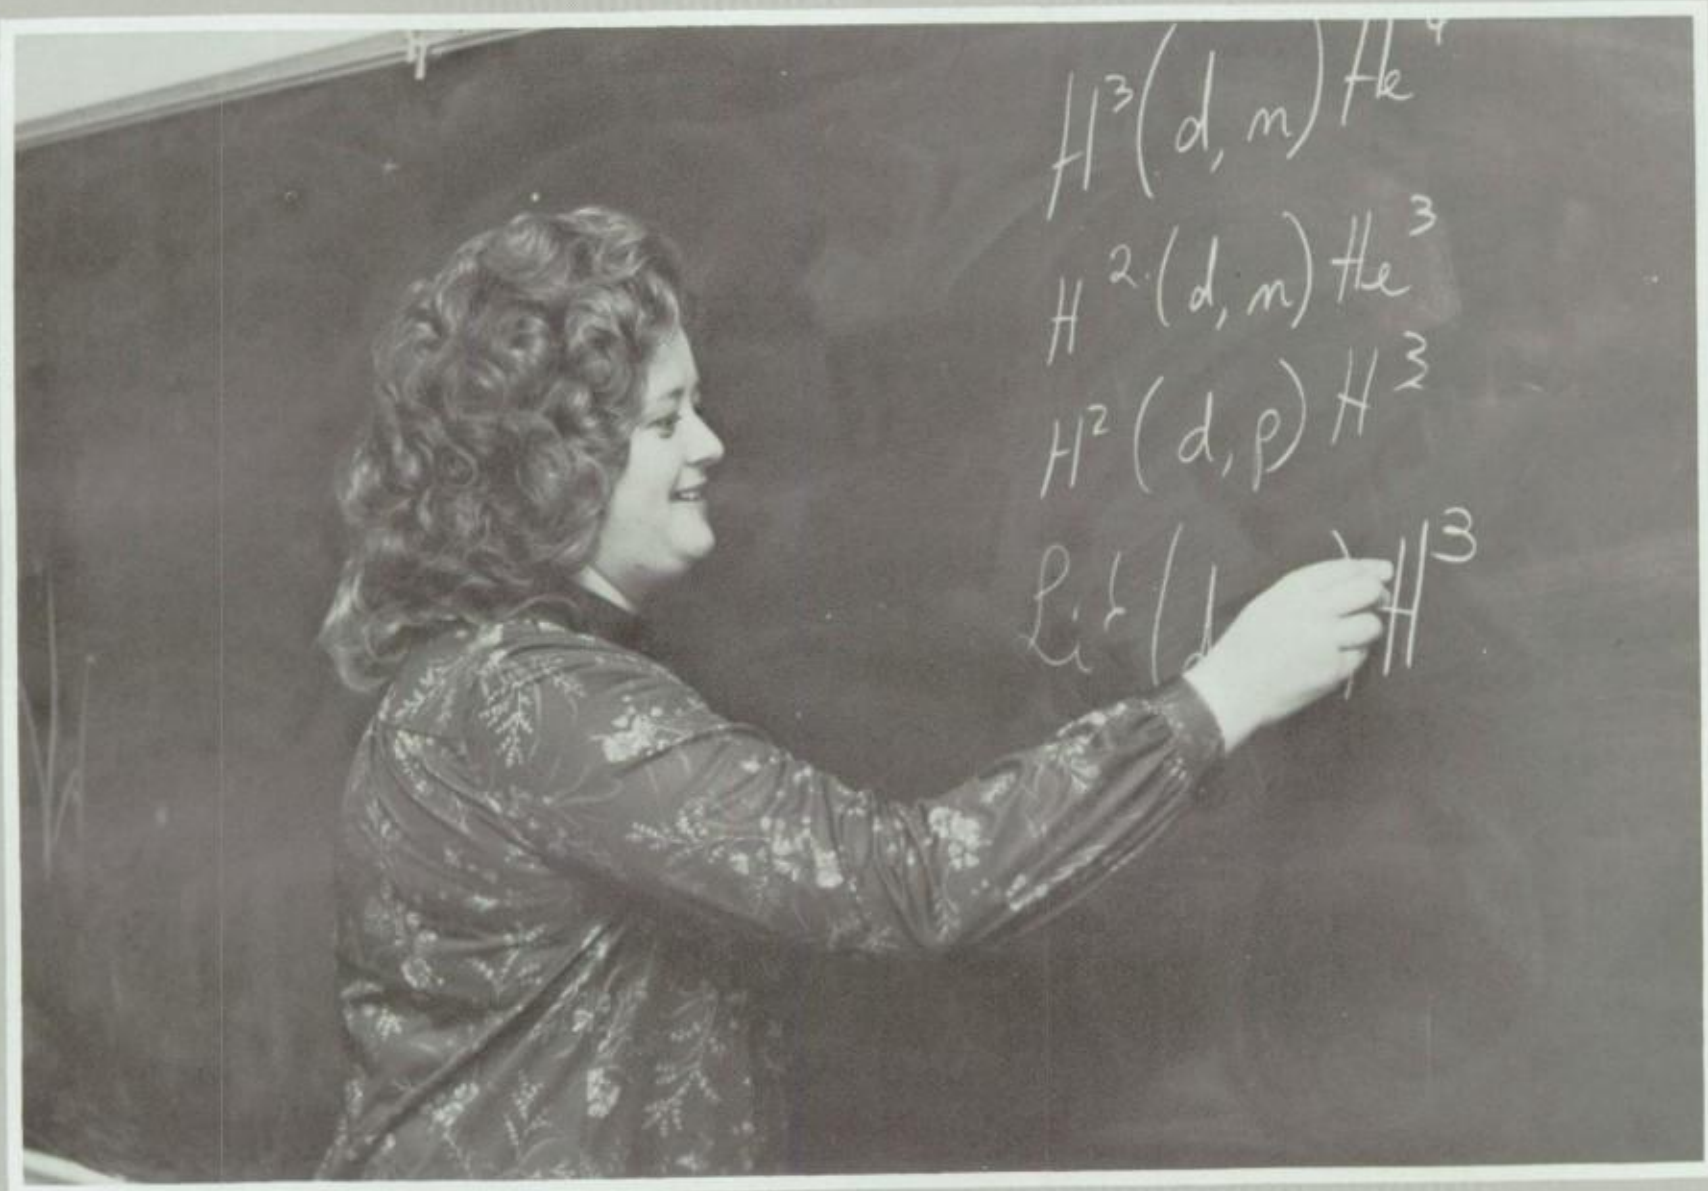

Mr. Wolak attended the Armada School System, married Maria Ohlert, and has three daughters, Doreen, Maria, and Charlene who were all part of Armada's student body.

Walt, in appreciation for your years of services and help, the student body who has "grown-up" with you from kindergarten through twelfth grade, dedicates this portion of the book to you . . .

Walt, you will always be an important part, and the student body thanks you.

DEDICATION

CENTER RING

The "leading lady" of the student world this year is Thereza Buszek. She brings a varied background to our school. Her parents fled Poland after WWII. Unable to enter America at that time, they lived in Brazil where the mixture of her native Polish, coupled with the Portugese spoken in Brazil, blended with the English which she learned after arriving in America in 1962. This developed into the soft, slight accent which the students rapidly come to recognize.

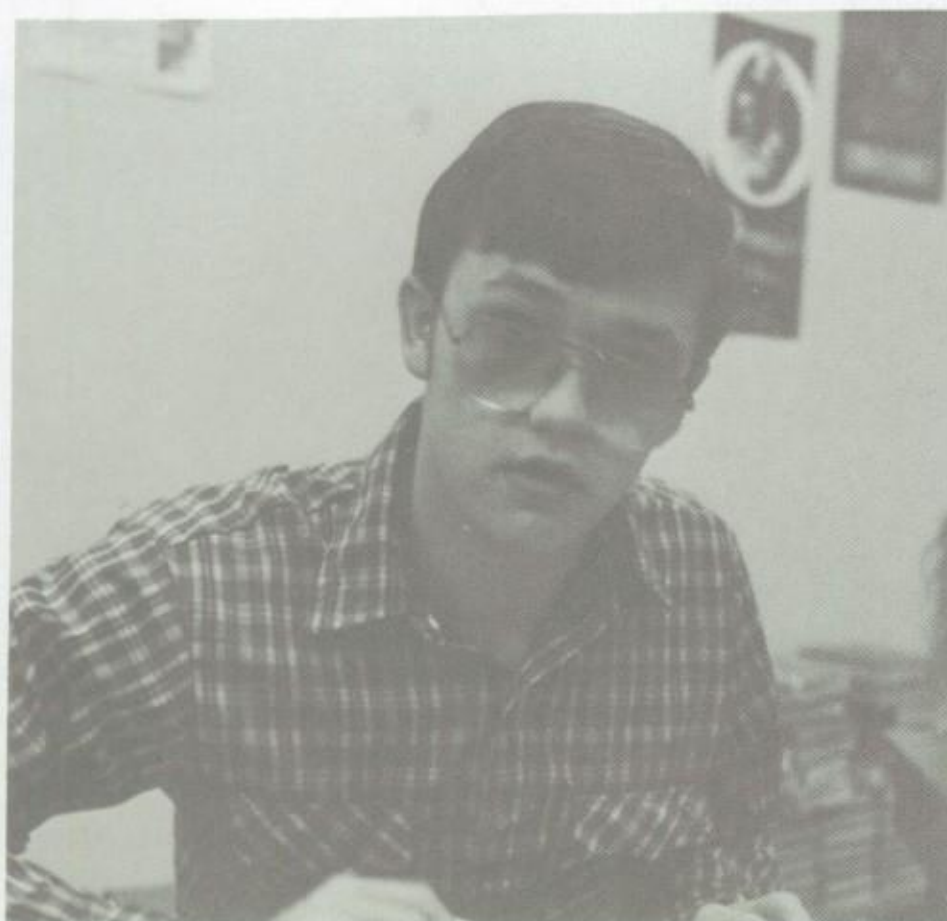

This gracious lady of our teaching staff has helped students through the complexities of physics, chemistry, and sciences since 1971. She is remembered for her kindness, understanding, and is never too busy to help and explain.

Each spring when her physics classes launch their rockets and she is appladed anew.

Mrs. Buszek enjoys handwork, flower arranging and is a terrific cook. Another important passion of hers is that of the National Honor Society. Each of the members of the society participate in projects for the betterment of the community and the school.

The student body salutes you as one great lady. We dedicate this section of the book to you in grateful appreciation for your contributions to the well being of the student body. Mrs. Buszek, we thank you!

THROUGH THE LOOKING GLASS

1

Looking back through time, we see our history classes studying the past years at the circus, like learning about our greatest clowns and ringmasters. Psychology gives a look at why people join the circus and why people are wild in the ring.

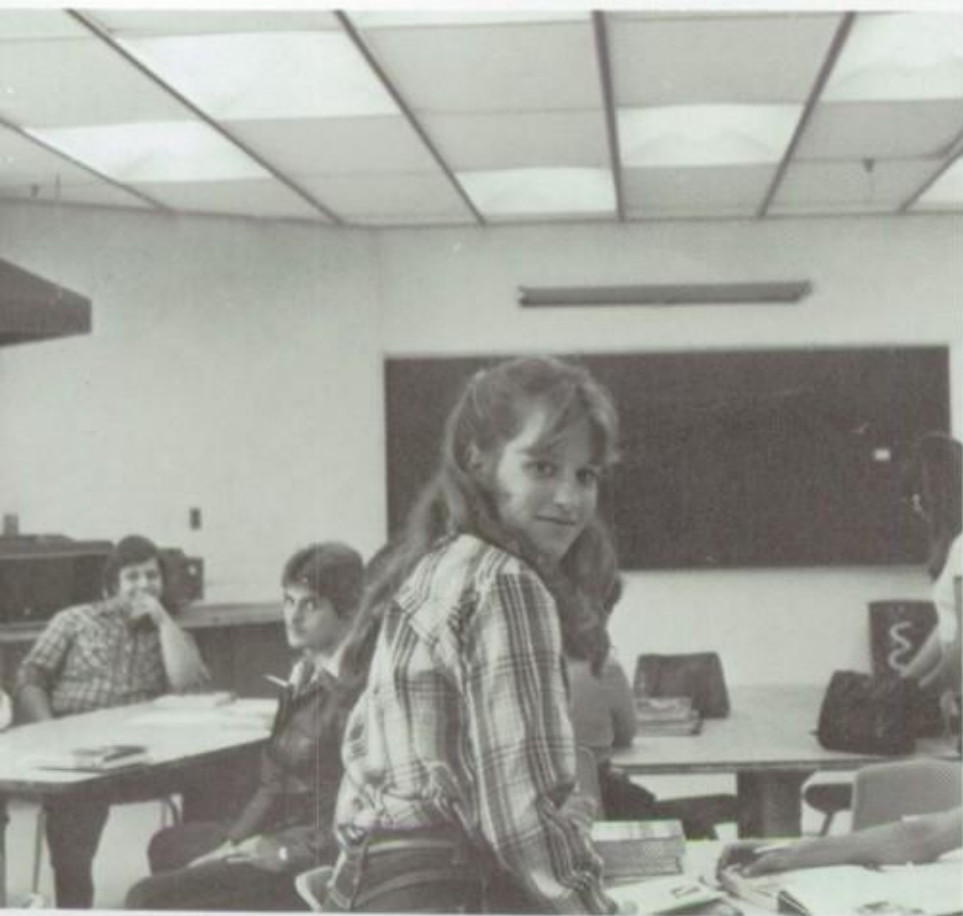

1. Ginger Winters and Vanya Vore study the art of being a clown.
2. Tina Kroetch practices her smile for her time in the ring.
3. Seniors Sue Cohoe and Greg Job decided that they were just plain crazy to join this circus
4. The psychology class watches on as senior Dawn Spaulding gets ready to perform her act.
5. Bill Lutey still has spotlight fright.
6. Tom the ham.
7. Lights, camera, action.
8. Jim's studying his lines for the show tonight.
9. The circus will never be the same.

CIRCUS TALK

TRANSLATORS

1. Even Miss Piggy enjoys the excitement of an eleventh grade English class.
2. Miss Ball patiently tries to explain why "ain't", ain't a word.
3. Everyone was working so hard, until the photographer came in.
4. Donna seems easily amused by English teacher, Mrs. Czapp's remarks.
6. Ty takes notes as Debbie explains yesterday's work.
7. As the students make themselves comfortable, they begin to prepare for a hard days word in English class.
8. "Say, Cheese!"

According to Webster's Dictionary, English is, "A language distinguished by pronunciation, vocabulary, idiom, syntax, or style." But, do Armada students respond? You've got to be kidding!!!

Our teachers, Mrs. Ball, Ms. Lang, Mrs. Polenchko, Mrs. Allen, and Mrs. Czapp lead us down the road to good English that will help all of us in our lives.

TUMBLERS, JUGGLERS, & ACROBATS

The performers of the circus are able to show their talent during their physical education class.

The clowns are clowning and the acrobats are showing us their stuff. Mrs. Lipka and Mr. Thorman are the trainers of the events which take place. Working their ways through the obstacle course students learned coordination and ability. Also, by playing other sports such as tennis, volleyball, crabball and slaughterball.

Sports are not the only activities involved, students also build up endurance by timed runnings. Despite the work they manage to have a good time.

3. Mr. Udvari takes a breather
4. Mrs. Lipka shows off all of her tennis talent.
5. Time out for a stare down with the other team.
6. Look out, hes watching! Mr. Thorman observes cautiously as he always does.
7. 1 down and 20 to go. Duane Rossmann, Doug Schafer, and Tom Motologin.

FUTURE RINGMASTERS

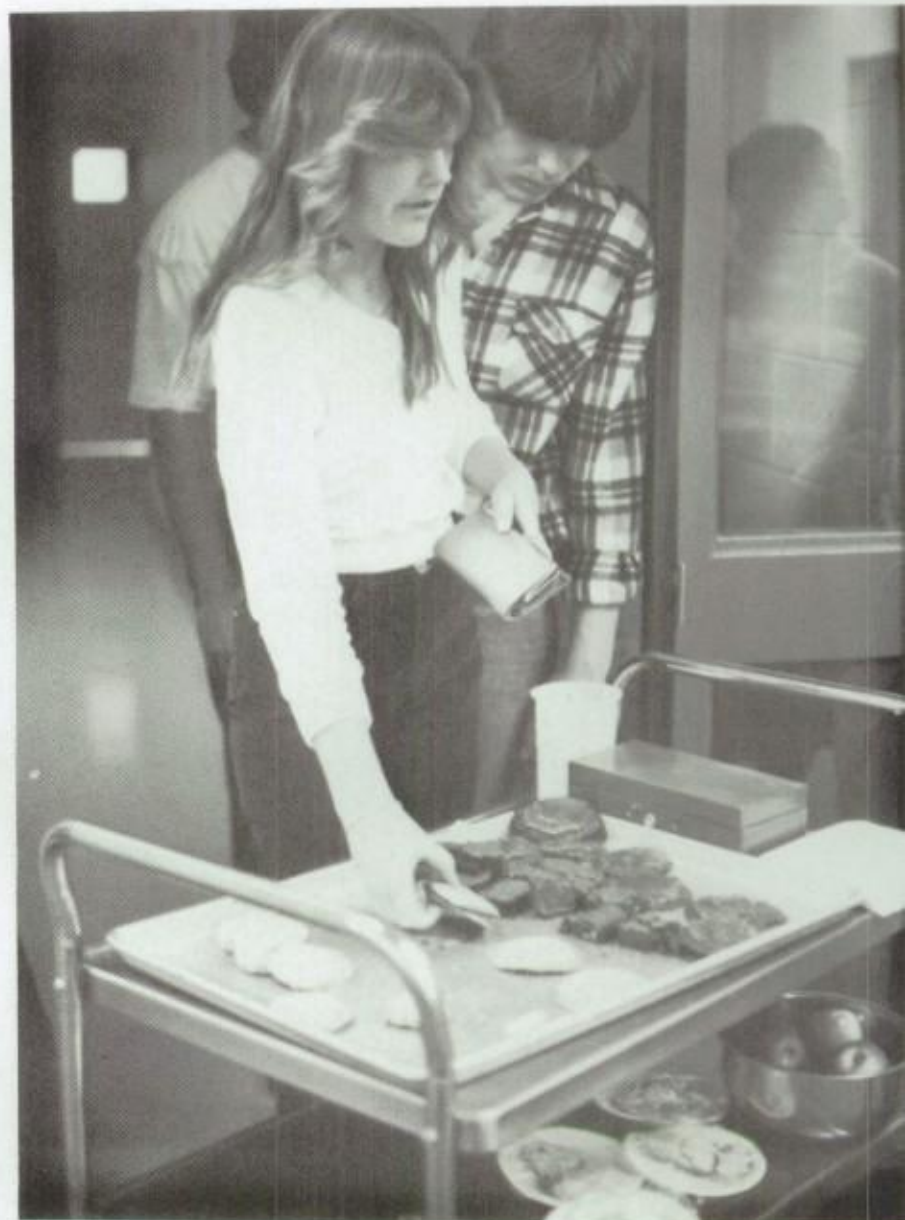

1

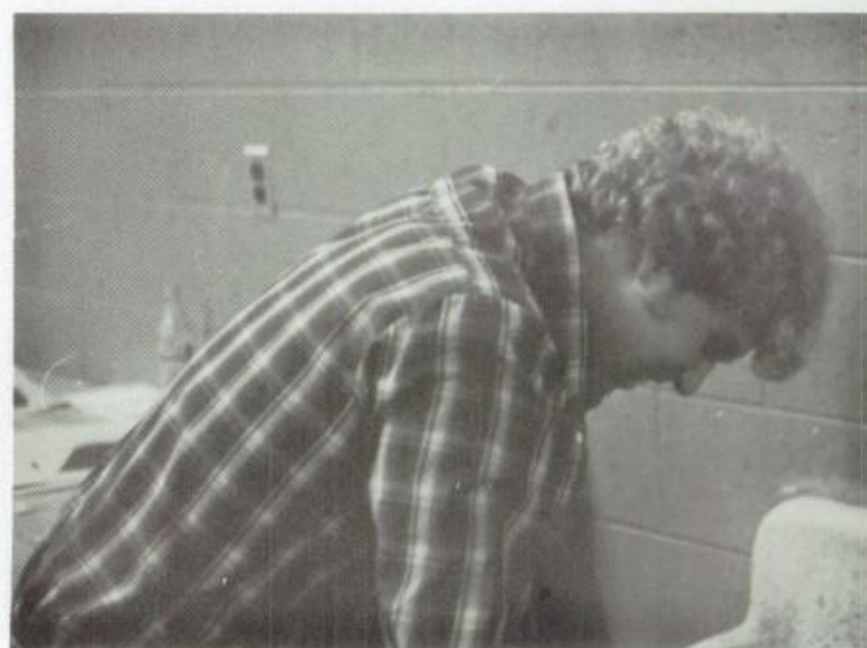

"We need pistons for this engine." "Change the spark plugs on this Grand Prix." "Don't burn the cable!" "Make this bank ad in 500 business cards!"

All of these remarks are mentioned during Armada's Vocational Education classes. Farm Power, Auto Mechanics, Food Management, and Graphic Arts all contain students with certain interests and desires to work and may even result in future full time jobs. The students come from all different schools from Romeo to Richmond to learn different trades. They learn everything from how to run a printing press to making oatmeal scotchies to fixing cars and tractors.

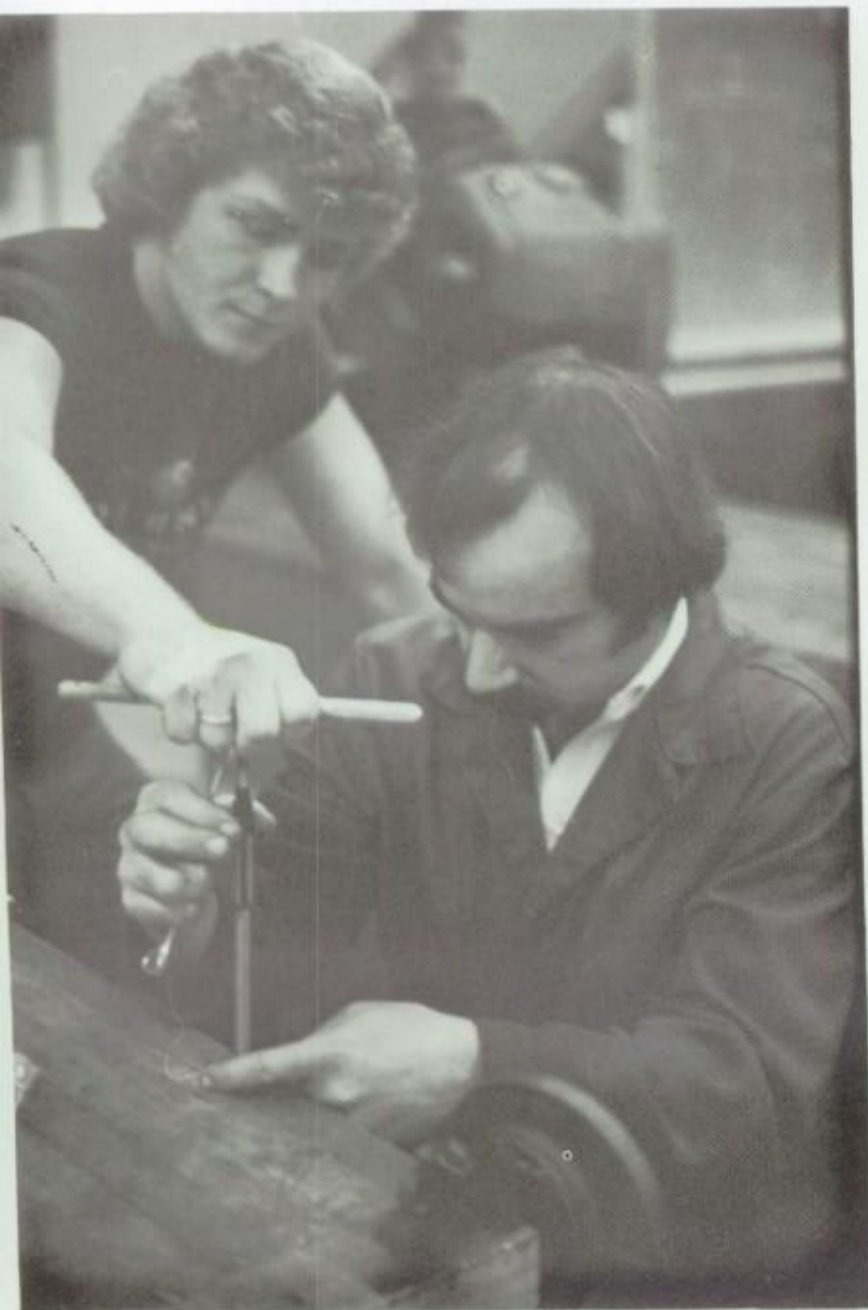

Not just anyone can take these classes for it takes a certain know how from the students to do these things and it is a good experience for all that do. These are just some of the things that attract the people to Armada for these classes for the Voc Ed you don't just learn, you do!

2

3

1. Mr. Toles tries to explain that you put *gasoline* in the tank, not water. Why else would it be called a gas tank!
2. Commonly referred to as the "whale wagon" the food cart makes its daily rounds with all sorts of goodies made by Food Management.
3. Oh no! Mr. Udvari I just dropped my project in the sink and it was full of water!
4. Steve, you supposed to put the tool on the table, not in my finger!
5. Jim Farrelly, future Computer Data Analasys professional?
6. Steve Motologin realizes now that there's a lot more work in Graphic Arts than he expected. Is it still too late to transfer to another class?

ARTS OF THE CIRCUS

1

2

Armada High's Industrial Arts classes explore many different talents. You could repair a farm tractor with Mr. George's know how and patience or how about a beautiful painting in Mr. Kaiser's Art class? Invitations with sculptured lettering are no problem with Mr. Udvari's supervision in the process. His expertise and the students ease in learning make Introduction Graphic Arts one of the more popular classes at Armada High.

Introduction to Food Management offers help for the future Julia Childs and Chef Tells in learning the basics about braised carrots and duckling under glass. And nothing ever leaves the kitchen without a personal sample by Mrs. Neale to make sure the creation is satisfactory.

With these options, what student could pass up the chance to become a future specialist because of all they could learn in one of these exciting classes?

3

4

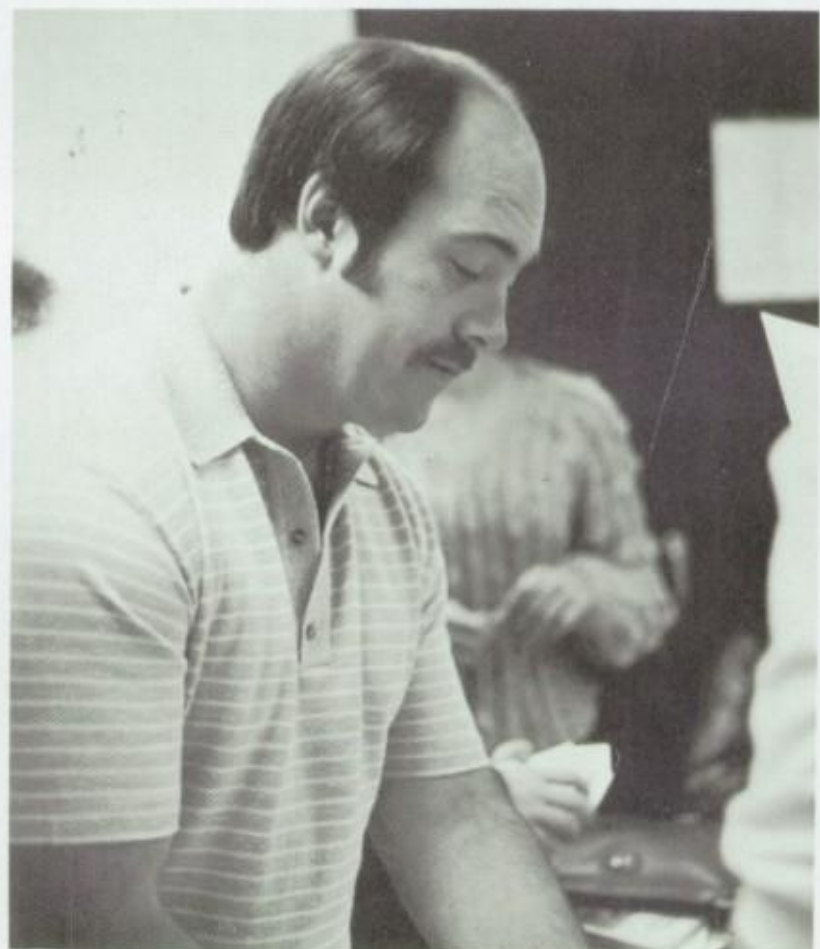

6

5

1. Here, Rick Sutton shows complete interest in Graphic Arts.
2. Kim Chambers, Barb Coleman, Mr. Udvari, and Mark Darling examine the days work with a smile of satisfaction.
3. Kevin Abbott takes pride in grinding the present he plans to give his mother for Christmas.
4. Argueing about how much salt should go into the pie shell are Julia Child and Betty Crocker.
5. Mr. George shows "John Deere" how to correctly fix the engine on a tractor without causing any other problems along the way.
6. Steve Stankovitch takes out all his aggressions on his project in Mr. Kaisers Art class.

MONKEY BUSINESS

1

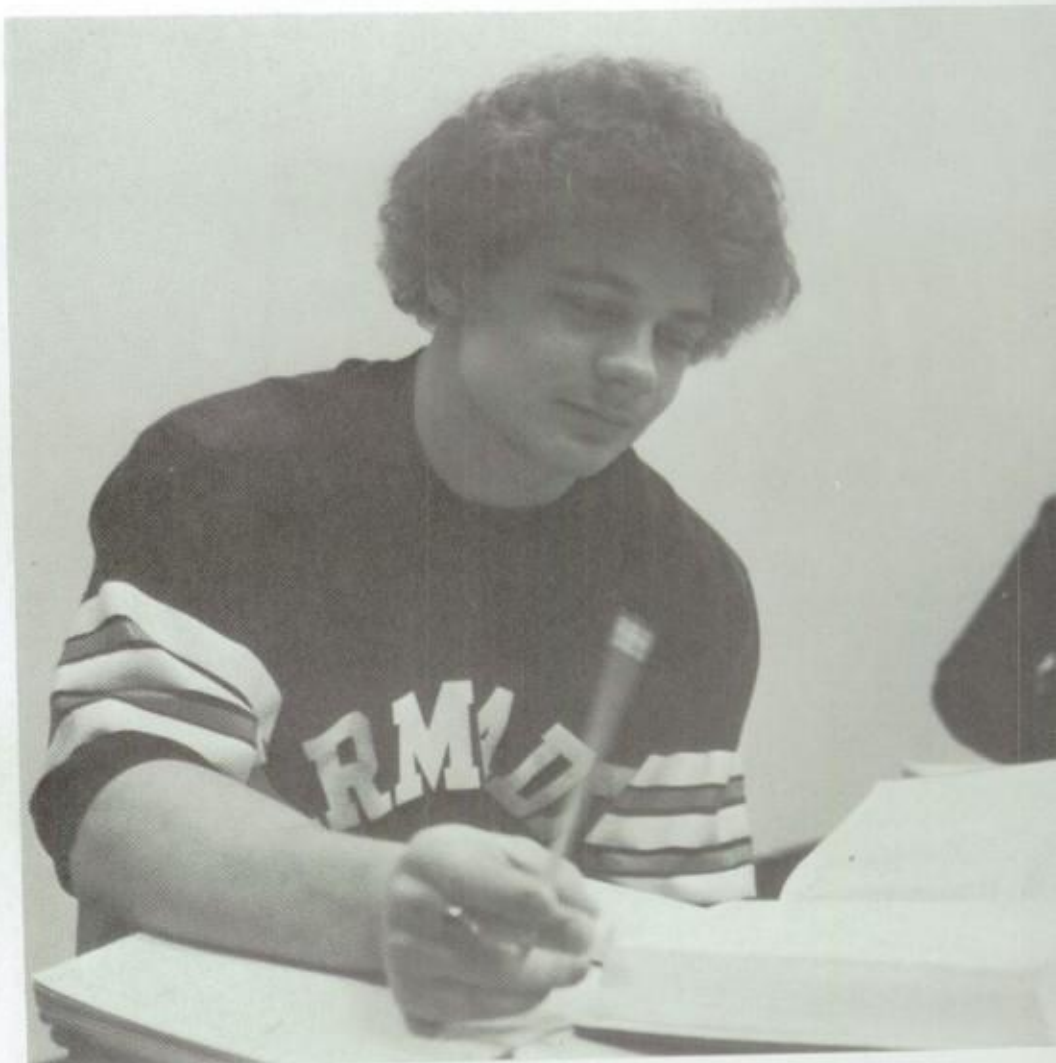

Taking Bookkeeping, Typing, I.O.L., and General Merchandising does more than prepare a person for a future job as a manager in maybe Hudsons, J.C. Penneys, or even K-Mart.

Mr. Fredette and Mrs. Capron enable us to learn the basic secretarial and business skills and to sharpen them to their greatest extent.

In Typing class Mr. Fredette shows all the "ins and outs" of the keyboard on a typewriter and the skills that go with it which include both speed and accuracy.

In General Merchandising and I.O.L. Mrs. Capron teaches her students how to run a business successfully. And in Bookkeeping both teachers show us the fine art of Debits and Credits (and they don't let us forget it!)

It's all this and more that shows us all how to be a good businessman in the world of business for our future.

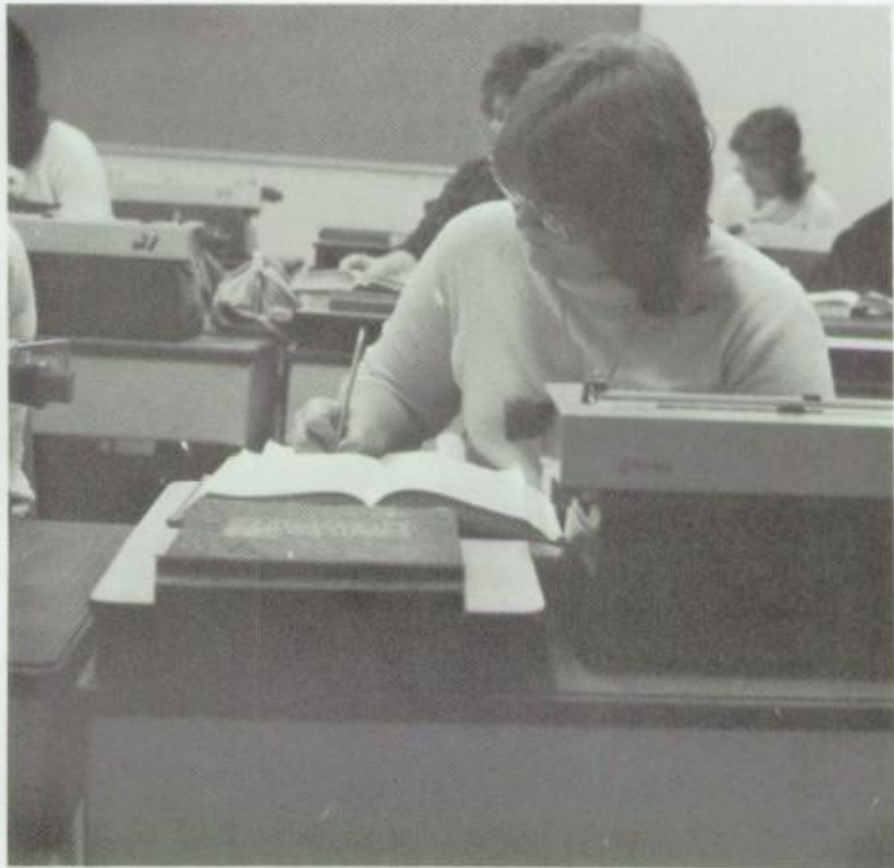

2

4

6

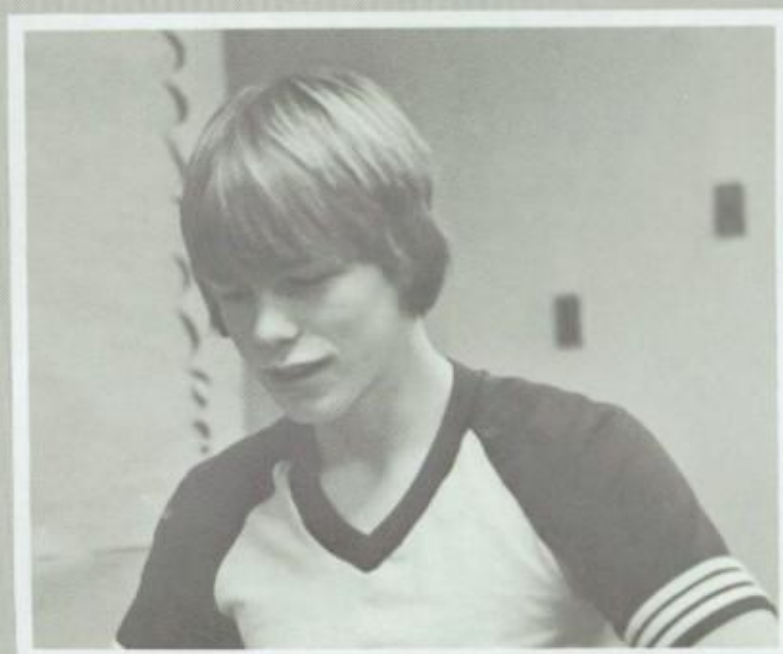

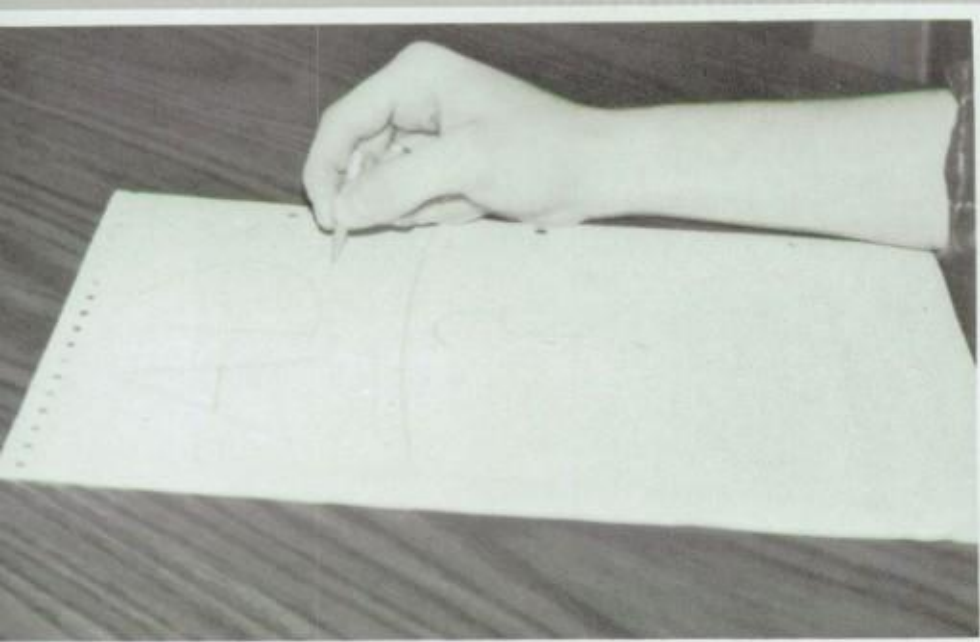

5

1. Mr. Fredette, why did I get stuck with a typewriter that doesn't have the letters on it?
2. Now, is it $\text{Assets} + \text{Liabilities} = \text{Proprietorship}$, $\text{Liabilities} + \text{Proprietorship} = \text{Assets}$, or is it $\text{Proprietorship} + \text{Assets} = \text{Liabilities}$?
3. Ed Gooch sits and wonders how long it will be before the whale wagon comes to the door.
4. Evelyn Raska takes a quick look over her shoulder to make sure that she hasn't made any mistakes.
5. Lori Beavnier tries to do her work but the cookies in front of her keep taking her mind off other things.
6. "I wonder if this is a Debit or a Credit?" ponders Kris Abbott as she studiously works on her bookkeeping project.

This year's Regit yearbook was printed by Jostens/American Yearbook Company. Our cover was a style in E style done in Orange and Black. The copy was done in Korrina, Style #21, 8 pt. cutlines, 10 pt. copy. Headlines were done in Circus, Style #66, 36 pt. Our sales representative was Larry Thomas, and we sold 6,000 dollars worth of ads. We also had 420 copies of books delivered.

1. "What did you say his name was again?"
2. "I want you for Christmas, Santa!!!"
3. "All I want is a Regit '82 yearbook."
4. "Mmmm, Schallo."
5. "I don't get it."
6. "How could you mess something up that bad?"
7. "Don't do that again or I'll drop kick you all the way to Berville."
8. "That doesn't look like two picas between pictures to me."
9. "Say what?"

**"WATCH MY
LIPS!!"**

Throughout the year, the circus at Armada High School has progressed, and finally come to a close. As we tear down the tent, pack up the costumes, and turn down the spotlight, a small part of each of us is packed along with them. Although the circus has closed, we must not forget all the time, effort, devotion, and love that went into making it a success.

Mrs. Wrubel and Mrs. Isaacson truly and most definitely are the ring masters of the circus. They decided that they could manage, somehow, to sponsor Yearbook once again. There were many times when they were about to "ring our necks," but they just held their tempers and let us figure out the correct way of doing things, all by ourselves. It may have taken us a little longer, and a harder route to "hit it, and get it" but we did manage. They often listened to our many personal problems, or a helping hand, or even just a listening ear. To both of you super-fantastic ladies, we owe our deepest gratitude and appreciation.

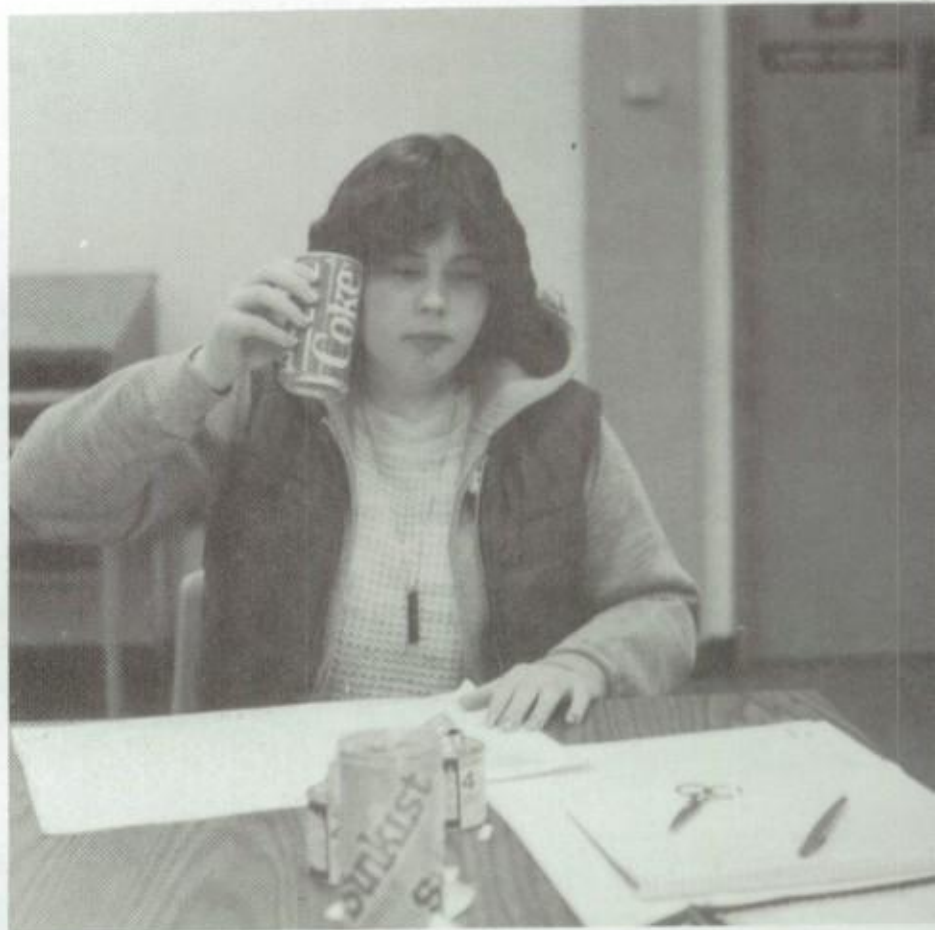

As young and daring performers, we undertook the responsibility of producers. Together we produced the show — Regit '82".

This year's staff was made up of 18 regular members and a very cooperative stage crew. Each one of them contributed to the final product in the best way he knew how. We would like to thank the following people for what they have so unselfishly given to us during the times we have argued, laughed, and cried trying to make the 1982 yearbook a success.

Mr. Kiel deserves our most gracious thank you for his cooperation in taking the senior group shot, for letting us interrupt classes for pictures, and for just being his complacent self. To the coaching staff, sponsors of all extra-curricular activities, and Armada High's teaching staff, we give a vote of thanks. You have been so understanding when we have asked for copy to be written, letting your students out of class for a half hour instead of five minutes, and for pictures to be taken in a days notice.

We would like to extend our appreciation to Kathy O'Brien, Jeff Samaroy, Karla Theut, Judy Mikolowski, Gretchen Gagne, Cindy Falk, Pam Paupard, and Michelle Poston for their help with layouts, copy pictures, etc.

With the help of our ace photographers, Cathy Josaitis, Kim Chambers, Todd Hensley, and Shannon Walsh, we were able to catch the students of Armada High in their "plain old selves." Without their expertise our book simply wouldn't have happened.

Back row: Wendy Harris, LeAnne Schuette, Gretchen Gagne, Cindy Lutey, Lisa Papineau, Dawn Spalding, Mike Chilcote, Karen Wrubel, Earl Morrison, Kelley Sarenus 2nd row: Shannon Walsh, Micele LaCavera, Joel Baird, Kim Chambers, Marita Karlsson, Barb Dodge Front row: Michele Poston, Cindy Falk, Chris Isaacson, Dave Seales, Kathy Coard, Mary Jackson, Cathy Josaitis

A special thank you is also in order for Mrs. Hebblewhite and Mrs. Puz for excusing the times we left their offices in total chaos. Mr. Eskin also lent many a helping hand.

We must not forget to thank all of the very gracious people and businesses who have purchased ads in our book. Included in this group of vendors are the Senior's parents.

Brenda Isaacson deserves a special praise for the times she has "saved us" by picking up pictures that we had to have.

Our freshman recruits, Micele LaCavera, LeAnne Schuette, Cindy Lutey, and Lisa Papineau worked long and hard, having to learn from the "ground up". They mastered copy writing, picture cropping, and turned out to be good ad salesmen as well. A job well done Freshmen.

Joel Baird, Wendy Harris, and Mary Jackson brought a years experience and a lot of knowledge and determination to the group.

Chris Isaacson & Barb Dodge spent many hours, typing, writing copy, helping other staff members, and completely organized the total production.

Kathy Coard, Karen Wrubel, Dawn Spalding, Dave Seales, Kelley Sarenus, Lori Speare, Marita Karlsson, Mike Chilcote, and Earl Morrison, our Seniors rounded out the staff. They gave unselfishly of their time and were responsible for the greatest portion of the book.

While we did our usual amount of agonizing over missing pictures and final deadlines, we found time to have a lot of fun too. While the evening at McDonalds after the first deadline was a blast, we will always remember the sight of Mrs. Wrubel sprinting from the scene of the great ice-cube caper involving Earl's ear.

Then came the second deadline which co-incided with the Christmas Party, fortunately. And what a party it was. We'll always remember the scavenger hunt, the blanket game, the visit from Santa, and last but not least the Chinese fire drills and the Christmas Caroling. All in all it was a fun year, and we hope to make next year's ever bigger and better.

HIGHWIRE ACTS

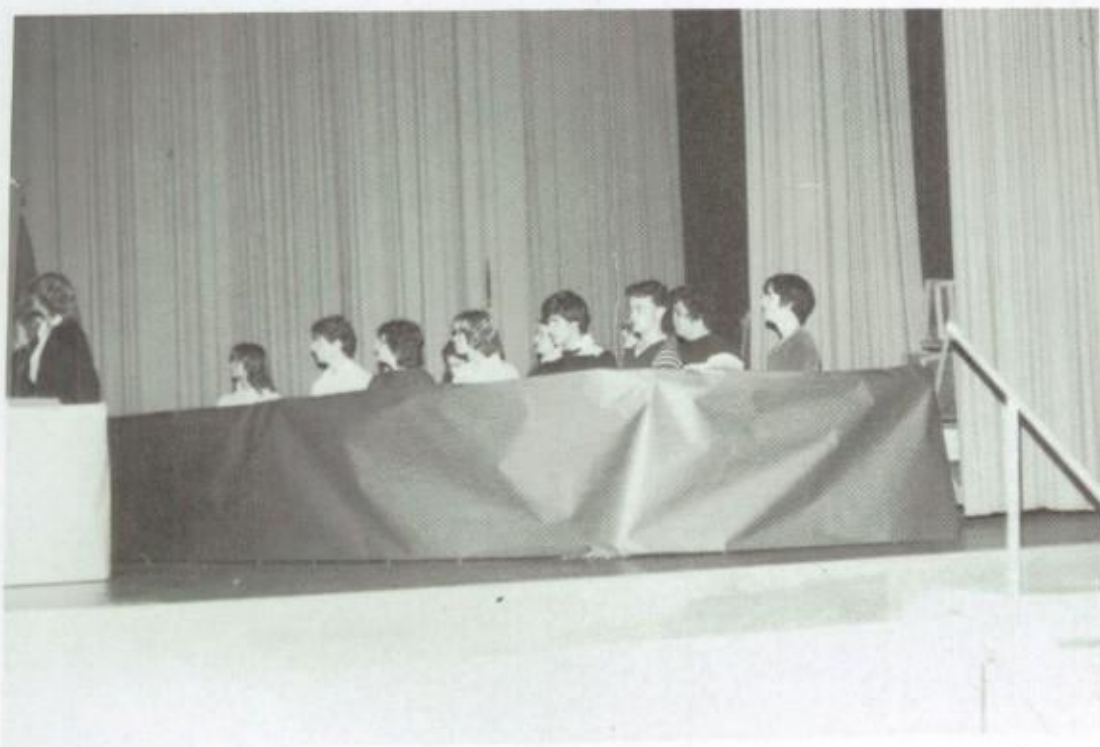

Kneeling: Gina Blissett, Karen Birg, Paula Cutcher, Laura Froning, Larry Jackson, Kellie Hill, Lisa Cefali, Tina Atkinson, Cathy Josaitis. First row: Kathy Coard, Karen Wrubel, Cathy Finn, Virginia Coleman, Jackie Block, Chris Isaacson, Debbie Chapman, Sandy Spencer, Paul Bianchi, Bob DeLong. Back row: Judy Mikolowski, Earl Morrison, Kelley Sarenus, Paul Stewart, Dave Eskin, Leah Vanpowlvoorde, Chris Chopp, Sue Grudzinski, Sherry Kahler, Donna Laskowski, Gary Coleman, Sue Corrion, Jim Arft, Lynn Logan, Dawn Spalding, Richard Scheneider, Renea Riedel, Tracy Stewart, Cheryl Stetser, Joyce Jakubiak, Brenda Mosher, Kevin Blissett.

The National Honor Society's new members possessed the four Cardinal beliefs of the Society. Character, Scholarship, Service, and Leadership were in ample abundance. Community service played a great part in the clubs activities as they gathered toys and games for the Red Cross, and again visited the Fair Acres Nursing Home to spread sunshine throughout the residents Christmas season.

The club also sold M & M's again this year to raise money for their activities and scholarships for graduating Seniors. Once again the NHS has strived and reached their goals.

1. On stage, second year members rehearse their skit before the rookies take the stage.
2. The curtains opened and the new members were inducted. Chris Isaacson receives her emblem as Gina Blissett congratulates new members as they sign the NHS book.
3. Mrs. Buszek lays down the rules to the new performers which also reminds old members what is expected of them.

BRAINS OF THE BIG TOP

The Armada High School Student Council members were elected for what they possessed as leaders. Interest, ambition, and drive are all qualities of these members. With help from their advisor Mr. Kiel, they have made many wise decisions concerning anything from who will take the tickets for the dances, to how many magazines sold in this years sales drive. The student body should be thankful to the student council for the dances they sponsored after the home games, and for having the means to sponsor extra-curricular activities such as N.H.S., and class sponsors.

1. First row: Sue Cohoe, Debbie Chapman, Jeanne Finn, Dave Seales. Back row: Bob Bovenschen, Dan Pridemore, Dawn Bantien, Stacy Slanec, Shannon Hill, Dawn Spalding, Amy Speare, Janice Finn, and Larry Jackson.
2. Treasurer Sue Cohoe, President Debbie Chapman and Secretary Dave Seales listen to another of Vice-President Jeanne Finn's bright ideas.

3. Mr. Kiel looks over a number of suggestions from the student council.

DON'T RAIN ON MY PARADE!

First Row: Paula Cutcher, Micele LaCavera, Pam Paupard Second Row: Connie Gores Third Row: Kim Chambers, Sue Cohoe, Kelley Sarenus

1. Kelley Sarenus shows Sue Cohoe how to "handle" majorettes.
2. Freshman, Connie Gores, practices vigorously before the parade.

Here comes the parade! Led by the Armada Majorettes, supported by the sounds of the orange and black fight song "On Armada" at the Homecoming parade. The girls twirled their way into the hearts of many fans. The five new members on the squad added more than their share of excitement to the shows. Although the words of Micele LaCavera "be real" thundered through the practices as the girls thundered through the practices as the girls when trying to learn a new stunt, but everything was finally pulled together in the end.

IN MEMORY OF

As I look forward to that day, I cannot forget that you are gone forever to be remembered, but yet your spirit still remains and like the impression the fall leaves left on the sidewalk so you leave the same impression in our hearts.

For near and far, still cherished are
The friendships that we've made.*

Rich,
To a real crazy guy
I met last year. I'll
never forget how crazy
and perverted you could
be. Don't take that too
seriously. Well I haven't
really seen you much
this year but hope to maybe
next year. Just think we'll
be SENIORS! I can't wait!
Well I hope we're friends
always. Maybe I'll see you
at a party this summer Haha.
Don't take that serious.
Keep in touch. "83!" Renal

Rich,
It's been fun getting to
know you better. I really
enjoy being around you.
You so nice! Hope you
have fun in your Senior
year. Take it easy cause
it will go by fast.

Lots of Love "82"
